[Introduction](#): Persecution or Prosecution? Jewish Tyranny and Anti-Semitism Through the Ages

Part I: BC - 1899

950-930 BC

The tribe of Judah (Jews; and also another tiny tribe called the Benjaminites) are kicked out of the Israelite tribe (which is actually a group of tribes), and they resettle in southern Canaan (Palestine). They are kicked out because they are regarded as troublemakers and rebels, who do not follow the others in the Israelite tribe, especially regarding the issue of "one God for all."

400 BC (approx.)

The now-separate Jewish religion (rabbinical Judaism as generally known today*) officially begins, but in oral form at first. It maintains that the Judah are the "chosen people of God" (their God is Jehovah), and that all other people are inferior to the Judah. In other words, the first "official" bigotry in history, long before Christianity. (*Note that there is a difference between "Old Testament Israel" and the more modern "rabbinical Judaism").

4 BC

Jesus Christ is born.

30 AD

Jews murder Jesus Christ, or rather, have him killed, as some prefer. The event in sum: Jesus is brought before Pilate charged with various crimes. Pilate declares him innocent. The crowd of Jews angrily demand his death. "When Pilate saw that he could prevail nothing, but that rather a tumult was made, he took water, and washed his hands before the multitude, saying, I am innocent of the blood of this just person: see ye to it. Then answered all the people, and said, His blood be on us, and on our

children." (Matthew 27:24-25)

66 AD

[Jews revolt](#) against Rome. Masses of Jews rioted and wiped out the small Roman garrison stationed in Jerusalem. Cestius Gallus, the Roman ruler in neighboring Syria, sent in a larger force of soldiers. But the insurgent Jews routed them as well. The next exchange would be different. The Romans returned with 60,000 heavily armed professional troops. The Romans first attacked in Galilee in the north, where they killed and sold into slavery an estimated 100,000 Jews. The Jews who survived the Galilee massacre fled to Jerusalem for their final stand and prepared for a siege by the Romans. During the summer of 70 AD, the Romans breached the walls of Jerusalem and initiated an orgy of violence and destruction. Shortly thereafter, they destroyed the Second Temple. It is estimated that as many as one million Jews died in the revolt against Rome.

132-135 AD

The [Bar-Kokhba Revolt](#). The Jews organize guerilla forces and, in 123 AD, begin launching surprise terrorist attacks against the Romans. Emperor Hadrian brought the "Sixth Ferrata" legion into Judea to deal with the terrorism. In 132 AD, following Shimon Bar-Kokhba, the Jews captured 50 strongholds in Palestine and 985 undefended towns and villages, including Jerusalem. Hadrian dispatched General Publius Marcellus, governor of Syria, to help Rufus, but the Jews defeated both Roman leaders. The Jews then invaded the coastal region and the Romans began sea battles against them. The turning point of the war came when Hadrian sent into Judea general Julius Severus (from Britain), along with governor Hadrianus Quintus Lollius Urbicus (from Germania). By that time, there were 12 army legions from Egypt, Britain, Syria and other areas in Palestine. Due to the large number of Jewish terrorists, instead of waging open war, Severus besieged Jewish fortresses and held back food until the Jews grew weak. Outright war followed. The Romans destroyed all 50 Jewish fortresses and 985 villages. In 135 AD, Hadrian's army besieged Bethar and on the 9th of Av (anniversary of the destruction of the first and second Temples), the walls of Bethar fell. The Romans killed every Jew in Bethar. Then the Romans plowed Jerusalem with a yoke of oxen. The Romans sold Jews into slavery and deported many to Egypt. Judean settlements were not rebuilt. Jerusalem was renamed "Aelia Capitolina" and the Jews were forbidden to live there. Hadrian changed the country's name from Judea to Syria Palestina. In the years following the revolt, Emperor Hadrian discriminated against all "Judeo-Christian" sects, but reserved "special attention" for religious Jews. He forbade Torah study, Sabbath observance, circumcision, Jewish courts, meeting in synagogues, and other ritual practices. This revolt precipitated the Jewish diaspora leaving Judea and the movement from temple worship to decentralized Rabbinical Judaism. In addition, that great document of Jewish ethnocentrism, the Talmud Yerushalmi, was assembled in Tiberias in the years following the final Jewish defeat.

500-1300+ AD

According to Encyclopedia Britannica, Jewish merchants come to dominate trade in the Middle Ages (with the exception of Scandinavia to which they were never granted access). This also includes control of the eastern trade routes to Asia. Their power will remain virtually intact until they are thrown out of West European countries in the century preceding the Renaissance. The first country to do so is Great Britain in 1290; France follows its example in 1306, and country after country soon do the same. Spain

and Portugal are the last to ban the Jews, as late as in 1492 and 1498; by then they had access only to a few German city states, part of northern Italy, and the papal possessions surrounding Avignon. Their influence is also heavily restricted by the Fourth Lateran Council of the Catholic Church..

When the Jews lose their power, the economy once again rests in European hands. Trade, which had been treated as a shady oligopoly, is now subject to fair competition, and fantastic economic progress is made. White patrons use some of their wealth to finance artists and scholars, and the Renaissance sweeps over Europe like a fresh, new spring. The new culture and learning is based almost entirely on ancient Greek and Roman scriptures, the cradle of European civilization, and the Renaissance will remain forever a great example of what a free White people can accomplish.

In Eastern Europe, however, trade largely remains in Jewish hands, and no commercial progress is made.

740 AD

In Asia (northeast of Turkey), an entire Mongol/Turkish tribe, called the Khazars, allegedly convert to Judaism en mass, all 4,000 of them, on orders of their leader, Bulan. This will allegedly become the Ashkenazim (largest) branch of world Jewry, although many now doubt this Khazar claim.

1100+

Jewish influence, mainly of Khazar origin, has increased in Poland ever since the 900s, and by the 12th century it has reached a point where even money production has been made a Jewish monopoly. Coins are imprinted both in Polish and Hebrew. Polish history during the following three centuries will show a long struggle for supremacy between Jews and Gentiles, with the Jewish side given a boost by a large influx of Jews coming from the fallen Khazar kingdom in the 1300s. Poland has every condition necessary to become one of Europe's greatest nations, but because of the Jewish grip on its economy Poland will never evolve to take its rightful place among the Powers.

1012-1744

Jews are kicked out of the following countries, not once but many times: France, Hungary, Belgium, Austria, Prussia, Spain, Italy, Netherlands, and most other countries in Europe, Christian or not. They are kicked out due to their collective, objectively measurable negative impact on these cultures, not due to some groundless, irrational, blind "hatred," as Jews today would have you believe.

1251

POLAND - Jews of Poland were granted rights like nowhere else in Europe. They were even granted their own autonomous legal system, known as the kahal, which allowed them to adjudicate intra-Jewish disputes without recourse to the Polish Christian legal system. This autonomy, in turn, necessitated the intensive study of the Talmud... Largely as a result of the concessions of the Polish crown which began with the Statute of Kalisz, Poland became known throughout Europe as the "paradisus Judeorum," the paradise of the Jews. When persecutions would flare up in the traditionally Jewish sections of Europe, in the German principalities, particularly in the urban centers of the Rhein valley, the Jews who wished to escape their persecution inevitably headed east toward Poland, taking their language, "juedische Deutsch," or Yiddish with them... Jews did not assimilate in Poland; most of them did not learn the language of the Christian Poles, because, other than rudimentary commerce and illicit sexual activity,

the Jews had virtually no contact with the Poles even though they had lived in their country for centuries. The Jews established their own state within a state there." ("The Revolutionary Jew and His Impact on World History" by E. Michael Jones, *Culture Wars* magazine, September 2003.)

1290

Jews expelled from England, the first of the great general expulsions of the Middle Ages.

1306

Jews expelled from France.

1321

Jews expelled from France again.

1348-1350

Throughout Spain, France, Germany and Austria, Jews poison Christian wells and other water sources with the corpses of dead plague victims. Christians retaliate with the Black Death Massacres.

1391

SPAIN - "Resentment against usury combined with the suspicion that the Jews were using their influence to thwart the reconquista, or take control themselves of the already reconquered regions with the secret help of the Moors led to the riots of the late 14th century. If the monarchs did nothing to curb the Jewish influence, the outraged citizens simply took the law into their own hands and widespread bloodshed was the result. Leniency only created more violence, as in the case of Pedro the Cruel, who was perceived as giving "his Jewish friends complete control of his government; a circumstance that led his enemies to call him a Jewish changeling, and contributed to his denunciation by a Pope as 'a facilitator of Jews and Moors, a propagator of infidelity, and a slayer of Christians.'" By the end of the 14th century, Spain's Christian population, convinced that the Jews were "planning to rule Spain, enslave the Christians, and establish a New Jerusalem in the West" began acting on their suspicions by taking the law into their own hands. Widespread bloodshed was one result. Widespread conversion, both sincere and forced, was another. Resentment against the Jews had led to widespread rioting in 1391. ("The Revolutionary Jew and His Impact on World History" by E. Michael Jones, *Culture Wars* magazine, September 2003.)

1459

SPAIN - Espina wrote *Fortalitium Fidei*, one of the most bitterly anti-Jewish documents in history. Espina suggested that if an Inquisition were established in Castile, large numbers of them would be found to be only pretending Christians, engaged in judaizing and in undermining the Faith they professed. ("The Revolutionary Jew and His Impact on World History" by E. Michael Jones, *Culture Wars* magazine, September 2003.)

1543

Martin Luther (1483-1546) writes "On the Jews and Their Lies."

1569

POLAND - The alliance between Polish magnates and Jews "concentrated the wealth into fewer and fewer hands, especially during the period of intense Jewish colonization in the Ukraine during the 80-year period between 1569 and 1648. Since the leases involved monopoly rights, the Jewish tax-farmers could increase the political power of their wealthy patrons, and their own wealth and influence as well, by driving the smaller independent landowners to the wall. Increasing their power in the short term, however, only increased the magnitude and violence of the reaction when it eventually came... There was no Inquisition in Poland. As a result, what might have happened in Spain did happen there. Poland became a model for tolerance, but in doing so paved the way for its own extinction at the end of the 18th century... The Jesuits warred with the Jews over the mind of the Polish oligarchs, but there was no Inquisition in Poland, and no Counter-Reformation. Calvinism was spreading among these nobles virtually unchecked by any official Catholic resistance. As a result, Poland became, in Heinrich Graetz's words, " a second Babylon for the Jews." ("The Revolutionary Jew and His Impact on World History" by E. Michael Jones, *Culture Wars* magazine, September 2003.)

1572

By the death of Sigismund II in 1572, the Jews had attained enough power to name his successor in collaboration with the Porte in Constantinople, the Huguenots in France, and the English Protestants. The man who brokered the deal was Solomon ben Nathan Ashkenazi, adviser to Grand Visier Mohammed Sokoli. Solomon Ashkenazi was a German Jew by birth who had migrated, as so many of his race had, to the paradise of the Jews, where he eventually became chief physician to King Sigismund. He then migrated by way of Venice to Constantinople, where he served the sultan as faithfully as he had served the Polish king. Solomon Ashkenazi had succeeded Joseph Nasi, also an adviser to the sultan, as "a sort of unofficial leader of world Jewry." Like Nasi, Ashkenazi orchestrated events following the death of Sigismund from behind the scenes. "Christian cabinets," Graetz informs us, "did not suspect that the course of events which compelled them to side with one party or the other was set in motion by a Jewish hand. This was especially so in the case of the election of the Polish king." ("The Revolutionary Jew and His Impact on World History" by E. Michael Jones, *Culture Wars* magazine, September 2003.)

1596

William Shakespeare creates the negative Jewish character "Shylock," a money-lending Jew (surprise), for his play *The Merchant of Venice*. Jews have often since tried to ban the play from being performed.

1633

POLAND - "Jews assumed total control of the liquor business, which meant that, on the one hand, they could manipulate the price of grain by diverting it to more profitable use as distilled spirits and that, on the other hand, it was in their interest to engage in the intense promotion of alcohol consumption, to maximize profits during the short-term of the lease. This led to chronic drunkenness, decreased productivity, and, of course, increased resentment against Jews, as a group which was perceived as constantly seeking to exploit the weaknesses of the majority population as a way of enhancing their own wealth and power." ("The Revolutionary Jew and His Impact on World History" by E. Michael Jones, *Culture Wars* magazine, September 2003.)

1634

POLAND - The Golden Age of Polish Jews lasted from 1500 to 1648. By 1634 Poland had become the largest country in Europe. Its territory extended from the Baltic almost to the Black Sea and from Silesia in the west to what is now the heart of the Ukraine, two hundred kilometers east of the Dnieper River. As a result, **by the middle of the 17th century, as much as 60 percent of Poland's population was not ethnically Polish - they were Jews.** An orgy of violence followed, eventually **dragging the Polish state into extinction. The story of Poland was in many ways the story of Imperial Rome writ small.** ("The Revolutionary Jew and His Impact on World History" by E. Michael Jones, *Culture Wars* magazine, September 2003.)

1647-1648

POLAND - In 1647, as one of the preconditions that prepared the way for a Polish crusade against the Ottoman empire, the Cossacks were promised full civil rights and enfranchisement over a period of time as Polish citizens. That meant "the harsh exploitation by Jewish holders of short-time leases was to be lessened by banning the collection of such payments as church fees for funerals, weddings, baptisms, etc." It also meant that disobedience to the tax-farmers was no longer to be considered a capital crime. It also meant that the Jesuits would no longer be assigned to Cossack territory in the Southern Ukraine, and that as a result they would no longer pressure Orthodox to submit to Rome's authority. Finally, it meant that the Jews were to be evicted from the southern Ukraine along with the Jesuits. When the bill came to a vote in 1648, the Sejm, dominated by the alliance of huge landowners and their Jewish administrators, defeated the measure, providing a classic instance of how the concentration of wealth and power into a few hands can enable that group to pursue its own interests, with total disregard of the common good, over the brink of that self-interest into national disaster. The situation in Poland during the first half of the 17th century was roughly analogous to the situation in Spain a century and a half earlier. Spain was the only other country in Europe with an equally influential Jewish population. As in Poland, many Sephardic Jews engaged in behavior that caused resentment among the lower classes. During the famine in Cuenca in 1326, Jewish usurers charged farmers 40 percent interest on the money they needed to borrow to buy grain for sowing. Blasphemy had become a Jewish custom in Spain. Moses, according to Walsh, "had condemned blasphemers to death. Yet it was a custom of many Jews to blaspheme the Prophet for whom Moses had warned them to prepare." The Jews, as a result, "were disliked not for practicing things that Moses taught, but for doing the things he had forbidden. They had profited hugely on the sale of fellow-beings as slaves, and practiced usury as a matter of course, and flagrantly." Blasphemy went hand in hand with Jewish proselytizing, which often took place by compulsion. Jews would force Christian servants to get circumcised as a condition of employment. They would encourage people to whom they had lent money to abjure Christ." ("The Revolutionary Jew and His Impact on World History" by E. Michael Jones, *Culture Wars* magazine, September 2003.)

1656

A clever Jewish rabbi, using common Christian-based religious arguments, convinces a high government official (Cromwell, in fact) in England that Jews should be allowed to return to England (having been kicked out 400 years earlier). All of England will soon regret this event.

1757-1813

Portuguese Sephardim Jews are paid to leave Amsterdam.

1760s-1770s

Jews dominate the negro-slave trade in NorthEastern America, especially in Newport, Rhode Island, owning many of the ships. Newport, RI is home of America's very first Jewish synagogue. Coincidence? No.

1795

By the time Poland was partitioned for the third and final time in 1795, 80 percent of the world's Jews lived there.

1804

The Russian government hopes to integrate the sectarian Jews by making school attendance compulsory and free-of-charge for all Jewish children. A school education is a luxury all over the world at that time, and very few Russian children can afford it; as a result Jews become the best-educated part of Russian society, and their power increases significantly.

1806-1807

Napoleon, knowing of the bad reputation of Jews, decides to settle the already-centuries-long "Jewish question." He orders 71 Jews (46 Rabbis, 25 laymen) to Paris. He presents them with a list of questions, but is not satisfied with the first answers, so he later convenes a second forum. The questions (12 in all) deal with Jewish attitudes about marriage, usury, loyalty, religion, etc. This is the famous "freeing of the Jews," because it results in Jews being granted legal rights that they previously had not enjoyed. Jews lie about their attitudes concerning assimilation, usury, etc. They do not assimilate, or amend their various supremacist attitudes.

1815

After the Battle of Waterloo (1815), Nathan Rothschild steals millions of dollars by falsely portraying the outcome of that battle in English stock markets. This enormous amount of money is used to establish the Rothschild family as the leaders of international banking/finance. (This also benefits the community of Jews as a whole; many millions of dollars are given to Jewish causes and charities by the Rothschilds.)

1818

May 5. Jew Karl Marx born in the city of Trier in Rhenish Prussia. His family later converted to Protestantism. The family was petty-bourgeois; his father was a lawyer. Marx would later become instrumental in constructing a revolutionary theory that would be used as a destructive ideological tool all over the world. At a minimum, over 100 million people have been killed in conflicts in which one side used Marxist or Communist ideology as a pretext for its acts of aggression against more established orders. Marxism is at its core a doctrine of alienation that seeks to alienate economic classes, ethnic groups, generations, and even genders. Its proponents have used economic, political, philosophical, psychological and even aesthetic arguments to promote its radical, wrong-headed world view.

1838

Author Charles Dickens creates "Fagin," a negative character, a criminal leader Jew for his novel *Oliver Twist*.

1848

Jew Karl Marx publishes *The Communist Manifesto*, a book about what is basically an offshoot of traditional Jewish communal living called "Communism." This book is designed to attack traditional Western values and morals, and is nothing more than a blueprint for long-term sociopolitical and economic revenge.

Mid to Late 1800s

Great German composer [Richard Wagner \(1813-1883\)](#), early inspiration to philosopher Friedrich Nietzsche (1844-1900), is highly critical of Jews and Judaism and the danger they present to the German people. "[Whoever wants to understand National Socialist Germany must know Wagner.](#)" (Quote attributed to Hitler in *The Rise and Fall of The Third Reich* by William Shirer.)

1852

A rabbi's wife, Harriet Beecher Stowe, writes the novel *Uncle Tom's Cabin*. Although she has never set foot in the South this didn't prevent her from penning this anti-Southern book that greatly exaggerated the negatives surrounding Southern plantation life for slaves. In 1862, when Harriet visited President Lincoln, legend claims that he greeted her as "the little lady who made this big war" between the states. Even if the propaganda in this book were true, can any intelligent person really believe that the mythical Uncle Tom would have fared better if he had been born in Africa? A century and a half later, in 2002, slavery is still practiced in parts of Africa. <http://www.skrewdriver.net/wp10.html>

1852

British Prime Minister Jew Benjamin Disraeli warns Europe, in a speech to the House of Commons, that Jews are dangerous to Western, conservative ideas. Few listen. (*The Controversy of Zion* by Douglas Reed, 1978/1985, Dolphin/Veritas, page 166, softcover. Disraeli telling the House of Commons in 1852: "...men of Jewish race are found at the head of every one of them [the secret societies, such as the Illuminati]."

1858

Birth of Franz Boas (1858-1942), the founder of 'cultural anthropology.' Up to Boas' time, anthropology was what is now called 'physical anthropology.' Anthropologists would interpret the physical artifacts from previous cultures and civilizations working along side archaeologists. Cultural anthropology is different. The cultural anthropologist trudges off to the Third World and lives with a primitive people to 'study their culture.' This of course provides a lot more opportunity to focus on the aspects of a primitive culture that tend to support the anthropologist's socio-political world view. Hence, we once again see the Jew gravitating to a subjective academic discipline (cf. psychoanalysis and sociology) which he can then manipulate to serve the interests of Jews. Boas trained famous cultural anthropologists such as Margaret Mead (cf. Margaret Mead, 1928) and Ruth Benedict. Background: Boas was one of a number of German-Jewish intellectuals who came of age in the increasingly conservative, post-1848, Bismarckian

Germany. The son of active liberal Jews, Boas was a student of physics and geography during the time that Bismarck was consolidating an alliance of Junker landowners, high-ranking civil bureaucrats, and military officers into a unified German state. Boas saw his future in Germany as increasingly dim (!), as growing 'anti-Semitism' made it less and less likely for a Jew to receive a teaching position. With this in mind, Boas like other Eastern European Jews, looked to America as a place without existing defense mechanisms in place to counter Jewish ethnocentrism and its manifestations. Sympathetic Jewish history site reviews Boas here: http://www.suite101.com/article.cfm/jewish_american_history/32804

1862

U.S. General Ulysses S. Grant issues an order [expelling Jews](#) from several states, due to certain negative activity by them. [Jews complain](#) (as usual, everywhere and always) to President Lincoln, who reverses the order.

1870

April 22. The leader of Russian communist revolution Vladimir Lenin is born to Russian father and Jewish mother.

1879

February 9. RUSSIA - Jewish communist revolutionary Grigory D. Goldenberg shoots and kills the governor of Kharkov, Kropotkin. Coincidentally, governor Kropotkin was the cousin of a famous anarchist who was also named Kropotkin.

1881

March 1. Jew Grinevetsky assassinates Russian Czar Alexander II. Grinevetski, Rysakov, Mikhailov and Emelianov left the home of Hessia [aka Hesya or Jessa] Helfmann to assassinate the Russian Czar Alexander II with bombs. Helfmann had stored the explosives used to kill Alexander II at her home. All of these people were members of Narodnaya Volya [aka National Will, aka People's Will], a Marxist revolutionary group. The first bomb thrown at Alexander II failed to kill him. Grinevetski threw the second bomb, which killed both Alexander II and himself. Helfmann and Alexander's killer Grinevetski were both jews. Mark Natanson, founder of the socialist/Marxist group Land and Liberty, was also a jew [Narodnaya Volya was an offshoot of Land and Liberty]. Natanson was the uncle of famous anarchist jew Alex Berkman. Narodnaya Volya was probably the world's first true political terrorist group. Not surprisingly, jews pretend there was no reason why pogroms were launched against jews in Russia after the murder of Alexander II -- no reason, that is, besides "irrational, unfounded anti-semetism."

1881

Thousands of Ashkenazim Jews from Eastern Europe begin flooding into the United States. By 1900, they will number 500,000 from just the past decade alone. By WWI, another 1,250,000 will have arrived in America. Unknown to most White Christians, many of these Jews will start or join Communist or leftist movements in the U.S. Many of these Jews were involved in radical political activity prior to their arrival in the U.S.

1883

Jews get an early start on advocating non-White immigration into America when leftist Jew Emma Lazarus writes her multiculturalist poem, "The New Colossus." The poem will -- of course -- end up on a plaque under the Statue of Liberty in New York. That poem wrongly suggests -- by design! -- that America is supposed to be a soup of ethnic groups.

1884

Leo Pinsker, of Odessa, leads the first known large Zionist movement, a movement to 1) give Jews a homeland; and 2) further Jewish imperialism. (This is slightly before Theodor Herzl becomes the more well-known leader of Zionism as a movement.)

1888

Jew Franz Boas publishes "On Alternating Sounds." With this essay, Boas plants the radical seed of what would become "cultural relativism," undermining both the racial-scientific and cultural evolutionist models of human difference, both of which saw White, Western European Christianity as the highest state of human achievement from which all other ways of life were more primitive deviations. Boas saw these people not as examples of what "we" once were like, nor as examples of retardation or degeneration, but merely as alternative cultural forms of equal value.

1889

April 20. Adolf Hitler, the man destined to crystallize the conflict between Jews and their gentile host nations, as well as mount the 20th century's most effective defense against the Jewish assault on the world (e.g., Jewish communism), is born.

1891

[Baron Maurice de Hirsch](#), "a Jewish financier and philanthropist dedicated his fortune to the welfare of Eastern European Jews at a time when worsening conditions in Russia made mass emigration a necessity." Hirsch "envisioned the transformation of Eastern European Jewry into a class of independent farmers and handicraftsmen in the New World." (Sure, Jews are world-renowned for their land-working/farming skills. Ha!) He established the New York based Baron de Hirsch Fund in 1891 to facilitate this goal (i.e., to facilitate Russian Jew migration to America via the ruse that they'd be hardworking farmers).

1892

Jewish anarchist Emma Goldman and two comrades conspire to assassinate millionaire philanthropist Henry Clay Frick. The actual assassination attempt is carried out by Jew Alexander Berkman but it is unsuccessful. Henry Clay Frick fortunately survives his wound.

<http://www.spunk.org/texts/writers/goldman/sp000183.txt>

<http://johnbrashear.tripod.com/frick.html>

1894

The "French" military captain Jew Alfred Dreyfus, of the infamous "Dreyfus Affair," is arrested and accused of spying/high treason, and is convicted. A retrial is forced by the public outcry of a well-known leftist writer; Dreyfus is later cleared of the charges, rightly or wrongly.

1895

Jewish supremacist hatred: "Spirit the penniless population across the frontier by denying it employment... Both the process of expropriation and the removal of the poor must be carried out discreetly and circumspectly." Theodore Herzl, founder of the World Zionist Organization, speaking of the Arabs of Palestine, *Complete Diaries*, June 12, 1895 entry.

1897

The first Zionist Congress meets in either Munich or Switzerland (these claims vary) to discuss how to reclaim (in this case, steal) Palestine.

1898

March. Mark Twain's essay "Concerning the Jews" appears in Harper's Magazine. Some excerpts:
-- "The Jew has his other side. He has some discreditable ways, though he has not a monopoly of them, because he cannot get entirely rid of vexatious Christian competition. We have seen that he seldom transgresses the laws against crimes of violence. Indeed, his dealings with courts are almost restricted to matters connected with commerce. He has a reputation for various small forms of cheating, and for practising oppressive usury, and for burning himself out to get the insurance, and for arranging cunning contracts which leave him an exit but lock the other man in, and for smart evasions which find him safe and comfortable just within the strict letter of the law, when court and jury know very well that he has violated the spirit of it. He is a frequent and faithful and capable officer in the civil service, but he is charged with an unpatriotic disinclination to stand by the flag as a soldier."
-- "Can fanaticism alone account for [the persistent and implacable hatred of Jews]?' Years ago I used to think that it was responsible for nearly all of it, but latterly I have come to think that this was an error. Indeed, it is now my conviction that it is responsible for hardly any of it."
-- "I wish to...refer to a remark made by one of the Latin historians...Christianity was so new that the people of Rome had hardly heard of it, and had but confused notions of what it was. The substance of the remark was this: Some Christians were persecuted in Rome through error, they being 'mistaken for Jews.' The meaning seems plain. These pagans had nothing against Christians, but they were quite ready to persecute Jews. For some reason or other they hated a Jew before they even knew what a Christian was. May I not assume, then, that the persecution of Jews is a thing which antedates Christianity and was not born of Christianity? I think so."
-- "In the cotton States, after the war, the simple and ignorant negroes made the crops for the white planter on shares. The Jew came down in force, set up shop on the plantation, supplied all the negro's wants on credit, and at the end of the season was proprietor of the negro's share of the present crop and of part of his share of the next one. Before long, the whites detested the Jew, and it is doubtful if the negro loved him."

1899-forward

Jews in American attempt to ban William Shakespeare's plays, and various Christian symbols, all over the U.S. (Henry Ford documents this in his newspaper *The Dearborn Independent*).

[Note: This persists to present day. Cf. December 2, 2001. Jews effectively ban Santa Claus from Kensington, Maryland. 100 Christian men protest by donning Santa suits; one man carries a sign that

reads, "[If Jews can ban Santa, why can't we ban Jews?](#)"]

September 6. American President William McKinley is [assassinated](#) by radical [Leon Czolgosz](#). Czolgosz was a follower of the anarchist Jew Emma Goldman. (The assassination of McKinley led to the presidency of Freemason President Theodore Roosevelt, who became vice-president in McKinley's second term starting in 1900.)

Russian Minister of Education Bogolepov is killed by a Jewish assassin.

1902

Russian Minister of Interior Sipyagin killed by Jewish assassin.

Bogdanovich, Governor of Ufa, killed by Jewish assassin.

The Russian Social Democratic Party holds its "Second Congress" in London in 1903, which unites many of the Russian Marxist groupings (officially this had been done as early as 1898, but the party had failed to achieve unity). Sixty delegates attend (out of which four are, or had been, workers. The rest are mostly Jewish intellectuals). The factions that had founded the party are represented: *The Jewish League*, *the Georgian Social Democrats*, *the Polish Social Democrats* led by infamous Jewess Rosa Luxembourg, and the *League of Struggle for the Emancipation of Labour*, or *Iskra*, led by Lenin. This is where the division forms between the Mensheviks, led by Jew Martov, and the Bolsheviks, led by Lenin. The party is completely dominated by Jewish leaders, with Gentiles becoming more frequent only on the middle-management level. Lenin is one of only a handful non-Jews at the top; however, he is married to Krupsakaya, a Jewess, and is known to speak fondly of his one-quarter Jewish blood and heritage. The Jewish League and the Polish Social Democrats, the third and the fourth most powerful factions of the party, usually side with the Mensheviks; but they are all absorbed by the Bolsheviks in 1917. All Jews within the party and the state, often seen as one entity, are now referred to as the *Yovkom*.

1904

July 28. Russian Minister of Interior, Vlacheslav Plehve, is killed by a bomb thrown by Jew Egor Sazonov. In a speech to a Jewish delegation in Odessa in 1903 he said: "In Western Russia some 90% of

the revolutionaries are Jews, and in Russia generally - some 40%. I shall not conceal from you that the revolutionary movement in Russia worries us but you should know that if you do not deter your youth from the revolutionary movement, we shall make your position untenable to such an extent that you will have to leave Russia, to the very last man!" Shortly thereafter Jew Evno Azef, head of the Terrorist Brigade of the Socialist Revolutionary Party, orders his assassination.

Still another social movement, the largely fraudulent "psychoanalytic" movement (whose most famous figurehead is the Jew Sigmund Freud), is completely Jewish (all 17 members of the movement are Jewish in 1906).

1907

May. National Geographic Magazine comments on the fact that Russian leftist revolutionaries are almost all Jews. Some text from the Curtis article: "...the revolutionary leaders nearly all belong to the Jewish race and the most effective revolutionary agency is the Jewish Bund...The government has suffered more from that race than from all of its other subjects combined. Whenever a desperate deed is committed it is always done by a Jew and there is scarcely one loyal member of that race in the entire Empire." [From "[National Geographic Magazine," May 1907, article titled "The Revolution In Russia", written by William E. Curtis, p. 313.](#)]

1909

NAACP is founded in America, mostly by Jews (and one mulatto named W.E.B. Dubois). Though most think of the NAACP as a black organization, its first three Presidents were Jews: Noel Springarn, Arthur Springarn, and Kivie Kaplan. The name & face most associated with the NAACP in the 50s and 60s is that of black Roy Wilkins. Wilkins was the NAACP's central public figure, creating the illusion he was its leader, though in fact he was merely its national secretary. All of its Presidents were Jews until the 1970s, when Benjamin Hooks became its first black President. Once a black finally made it to the

Presidency, the public no longer heard much about the "national secretary." Point: Blacks did not foist the NAACP and its incessant whining and cultural extortion on White people, Jews did. Blacks played along, reaped benefits, and today take credit for its inauguration as a source of "black pride" either oblivious to or in denial of its Jewish roots.

1909

Thomas Edison's film company sues the Warner Bros. Jews for copyright violation, regarding their use of Edison's movie camera. They, and other Jews, eventually flee to Los Angeles and start, among others, Warner Bros. film company, using Edison's patented (and stolen) technology.

1911

September 1. Jew Dmitry Bogrov, the son of a wealthy Jewish attorney and member of the Socialist Revolutionary Party shoots and kills Pyotr (Peter) Stolypin, Russian Prime Minister, at the Kiev Opera Theatre. Pyotr Stolypin was one of the more interesting figures in pre-revolutionary Russia. Stolypin became known for advancing significant reforms while at the same time ruthlessly suppressing largely Jewish terrorist and revolutionary activity in the countryside. Coincidentally, Stolypin's assassin was hanged on September 11, 1911.

1911

Senator Taft's father, U.S. president William Howard Taft, angered Jewish leaders -- e.g. Jacob Schiff -- when the Jews demanded that the U.S. break a treaty with "anti-Semitic" Russia and Taft refused. Schiff declined to shake Taft's hand after that refusal.

1913

Jewish "Anti-Defamation League" (ADL) of B'nai-B'rith is founded for the sole purpose of silencing people who mention negative Jewish activity. Like Judaism itself, the ADL is basically a Jewish crime [syndicate](#). Since its inception, the thoroughly discredited ADL has (1) helped get the Jewish fugitive mega-con-man Marc Rich off the "wanted" list via a letter written by its director Abe Foxman, on ADL stationery, to Clinton, (2) stole secret police files from the San Francisco Police Department and claimed, in a resulting lawsuit it lost, that the ADL had "journalistic privilege", and (3) lost a \$10 million defamation suit filed by a Colorado couple. Yet in 2002, in post-9/11 America, the ADL becomes a formal partner with the FBI to thwart "domestic terrorism." While this will undoubtedly be used to clamp down on White Nationalist groups, as this Timeline illustrates Jews are the biggest terrorist threat on American soil.

1914

August 4. The most dreadful day in European History - The Great War begins.

1915

Jews start the first true Marxist/Communist party in the U.S., called "The National Workmen's Committee" in New York City, which is made up of several radical Jews from various Jewish groups.

1915

"Cultural anthropologist" [Jew Franz Boas](#), and his many followers, control the American Anthropological Association, which pushes the idea that there is [no such thing as race](#) or, therefore, psychological differences among the human races, especially regarding intelligence/cognitive ability. Boas' ideas are championed worldwide, with horrifying results.

1915 - 1916

The [Armenian Genocide](#) was carried out by the "Young Turk" government of the Ottoman Empire. One and a half million Armenians were killed, out of a total of two and a half million Armenians in the Ottoman Empire. The Armenian Genocide was masterminded by the Central Committee of the Young Turk Party which was dominated by Mehmed Talât, Ismail Enver, and Ahmed Djemal. They were a racist group whose ideology was articulated by Zia Gökalp, Dr. Mehmed Nazim, and Dr. Behaeddin Shakir. None of this is important, of course, as the Armenians aren't Jews. There are no Armenian Holocaust museums. No TV Mini-Series. No two billion dollars per year sent to Armenia. No shakedowns of Turkish banks by Armenian lawyers. And no high school lesson plans devoted to the Armenian Holocaust. Turks aren't accused of 'Anti-Armenianism' if they don't like Armenians (The word doesn't even exist). And no Marxist Jews have written books explaining dislike for Armenians as a mental disorder. Of note is that linguistics and archaeological work increasingly suggest that Armenia is one of the most likely locations for the Indo-European homeland. That would make the Armenians a very special people - far more special than the wandering ethnocentric tribe from Judea.

1916

Zionist judge Jew Louis Brandeis is picked for the U.S. Supreme Court (he's the first, but not the last). He will later become a close pal of Roosevelt.

1917

The Balfour Declaration, a promise to the Jews regarding Palestine, is created in England by Jews, which will bring the U.S. into WWI. (Note that the effects of the Balfour Declaration happened before the Declaration itself went public).

1917

U.S. enters WWI, largely because of the Balfour Declaration. It is sent to the U.S.; Zionist Supreme Court judge Jew Brandeis edits it -- this is significant because of the gross conflict of interest. America needs Americans representing American interests, not Zionist Jews tooling America for Jewish (and later Israeli) interests.

1917

November (but late Oct. on Russian calendar). Russian Revolution begins. Millions are eventually slaughtered and oppressed by the Communists, whose leaders are mostly Jewish by ethnicity. American Jews from New York go to Russia in large numbers to help the Communist revolution.

1918

Dr. George A. Simons, a former superintendent of the Methodist Missions in Russia, during the Bolshevik Propaganda Hearing before the Sub-Committee of the Committee on the Judiciary, United

States Senate, 65th Congress, testifies: "I was impressed with this, Senator, that shortly after the great revolution of the winter of 1917, there were scores of Jews standing on the benches and soap boxes, talking until their mouths frothed, and I often remarked to my sister, 'Well, what are we coming to anyway? This all looks so Yiddish.'"

1918

The first Warner movie, an agitprop film titled "My Four Years In Germany," debuts.

1918

The U.S. Foreign Relations Committee holds hearings and releases a report on who is financing the Russian Revolution. In each case, the banks are owned by Jews, the most notable being the Swedish bank Nya Banken, owned by the Jew Olof Aschberg. This bank is connected with banker Jew Jacob Schiff in New York, who also is heavily funding the Communists in Russia.

May 2. State Department document number 861.00/1757, a telegram, was sent from the U.S. Consul General in Moscow to the State Department, in which he describes the situation in the towns: "Jews predominate in local government, anti-Jewish feeling growing among population which tends to regard the oncoming Germans as deliverers." Read more about this in Dr. William Pierce's "[The Letter They Wouldn't Answer](#)" (Free Speech - January 1995 - Volume I, Number 1).

1918

The Romanovs, the Russian imperial family, including four beautiful daughters Anastasia, Olga, Tatiana, and Maria, are murdered by communist Jews. The head butcher was the Jew, Jacob Yurovsky, and he carried out the murder of the czar and his family in an especially brutal and sadistic manner. Cf. William Pierce's "[The Romanovs, Child Porn, and 'Hate' Laws](#)" (Free Speech - August 1998 - Volume IV, Number 8). Also, cf. *The Last Days of the Romanovs* by Robert Wilton, London, Thornton Butterworth Limited, 1920: "The murder of the Tsar, deliberately planned by the Jew Sverdlov... and carried out by the Jews Goloschekin, Syromolotov, Safarov, Voikov and Yurovsky, is the act not of the Russian people, but of this hostile invader."

1918-forward

Millions are murdered by the Communists in Russia. Millions more jailed and oppressed. The world's first "concentration camps" are now created, by the Communist Soviets, whose leaders, again, are Jews.

1918

As German war casualties increase steadily in number, the Jewish-led German Social Democratic Party

does everything in its power to create an air of defeatism while agitating against the government, the same way the communists in Russia had worked earlier. A mutiny breaks out at the naval base in Kiel on November 3, and it is followed by a riot instigated by the Social Democrats. The emperor renounces his crown on November 9, and the Social Democrats proclaim the creation of a socialist republic.

Two days later Germany agrees to a cease-fire with the Allies, and now comes an event that will turn a large part of the German people against the Jews forever: the demobilization of the German armies. When the nation's soldiers march back to German soil they are ordered by the Social Democrats to demobilize, since the communists feared that the military would interfere with their hoped-for popular revolution. On November 11 Germany still owned the mightiest war machine in the world; thirty days later they have nothing. Instead of being able to negotiate for peace based on Wilson's fourteen points, a helpless and mutilated Germany is stuck with the Versailles Treaty.

As soon as the German armies have demobilized, the more extreme elements within the Social Democratic Party, led by Rosa Luxemburg, begin scheming to take control of the revolution the same way the Bolsheviks had done in Russia. Her "Spartacus League" attempts to overthrow the revolutionary government in 1919, aided financially by Russia. The coup is defeated only after bloody street battles, and its leaders Rosa Luxemburg and Karl Liebknecht are imprisoned and later executed by German officers. After her death the <I>Third International</I> hands over control of the party to the Jew Karl Radek. Later Jewess Ruth Fischer becomes its leader, until 1924.

1919

For the first time, a European Nation comes to be led by a full-blooded Jew. [Jew Bela Kun \(Aaron Cohen\)](#) founds the world's second communist government in Hungary after returning from a visit with his ethnic cousins in Russia. For one hundred and thirty-three days, from March 21st to August 1st, Bela Kun and his associates hold the Hungarian people in a state of abject terror that has rarely been surpassed for cruelty and horror. Hungary has often suffered at the hands of foreign invaders, but her worst suffering was at the hands of a Jewish countryman. Next time the Jews are whining about Hungary's anti-semitism -- or running for political office as an "American" -- say the words "Bela Kun." More information here: <http://www.firstworldwar.com/bio/kun.htm>, and here <http://www.onwar.com/aced/nation/hat/hungary/fhungary1919a.htm>. *The 1919 Yearbook* (Dodd, Mead, Co., page 587) states that "Bela Kun's government was made up almost entirely by Jews, who also made up the bulk of the ranks in the bureaucracy. At first the communists worked together with the socialists who were not extreme radicals, but more resembled social democrats and union members in other countries. However, Bela Kun would not find his staff among their ranks, but instead turned to the Jewish population to establish an almost completely Jewish bureaucracy."

1919

Milwaukee-born Jewess Golda Meir (born Goldie Mabovitz Meyerson), the future prime minister of the state of Israel, [poses as the Statue of Liberty](#). Jew: The human chameleon. When in America, feign loyalty and honor liberty, then move half way around the world to lead a Jews-only Ethnostate.

1919

In Germany, the National Socialist (Nazi) party is formed, largely to combat Jewish-led Communist/financial/social influence on German culture. It combines nationalism and "right-wing" socialism (as opposed to "left-wing" socialism, which is also known as "egalitarianism," i.e., the idea that the State should make everyone "equal").

[Note: The "Nazi Party," *as a title*, did not exist until 1920.]

1919

A British intelligence report, sent to the U.S., states that the Russian Revolution is largely Jewish-led.

1919

During U.S. Congressional hearings, led by Senator Lee Overman, concerning liquor sales in Europe, testimony is given that the Russian Revolution is being led largely by Jews (titled "Brewing and Liquor Interests and German and Bolshevik Propaganda," report and hearings of, Vol. 3, 66th Congress, 1st session, S. Docs. v.4, n.62, sworn testimony before U.S. Congress; dates: Feb. 11, 1919 to March 10, 1919, S. Res. 439/469).

1920

By now, most large newspapers in America and Europe are owned by Jews, as are most banks and book publishing companies. People who warn of this are branded "Anti-Semitic."

1920

February 8. Winston Churchill warns the world about dangerous political and cultural impact of collectivist Jews in his article "Zionism vs. Bolshevism: A Struggle for the Soul of the Jewish People" (Feb. 8, Illustrated Sunday Herald, London). In it, Churchill said matter of factly that Jews were behind a "world-wide conspiracy for the overthrow of civilization" (p.5; cf. MacDonald, *Separation and Its Discontents*, p. 59, *passim*).

1920s

U.S. Automaker Henry Ford hires detectives to investigate Jewish power in America, and is so alarmed about their findings that he orders all information found about Jews to be printed in his newspaper, "The Dearborn Independent." His newspaper is later forced to close. Henry Ford: A true American patriot, punished for telling the truth.

1920-forward

Communists (mostly Jewish-led) bomb and burn buildings throughout Germany, hoping to bring about a Marxist revolution similar to Russia's. Police arrest scores of Communists and seize hundreds of guns and a sizeable amount of explosives.

1922

First official U.S. Communist newspaper appears, in Yiddish (Jewish) only, called the "Freiheit."

1922

Lenin suffers one stroke in May, and another in December. Leadership of the party is handed over to a

triumvirate consisting of Josef "Stalin" and two Jews, Zinoviev and Kamenev. Stalin will later outmaneuver the other two, as well as the Jew Trotsky, and become the sole leader of the party. His daughter Svetlana marries the Jew Mihail Kaganovich, son of Lazar Kaganovich, a member of the politburo. His son Vassili marries the half-Jewish Svetlanda Molotov, daughter of Gentile minister of foreign affairs Vyacheslav Molotov and his Jewish wife. Stalin's wife is the Jewess Rosa Kaganovich. Thus Stalin, while a Gentile, clearly demonstrates his willingness to cooperate with the Jews; only very late in life will he show signs of wanting to rid the Party of Jewish influence, but he dies before his plans can come to their full fruition.

1923

GERMANY - Out of the 161 banks in Berlin, 150 are Jewish-owned, bolstering the early Nazi Party claims that Jews control Germany's economy.

1923

GERMANY - Communist Jews Karl Radek and Otto Marquardt lead a Marxist uprising in the Barmbeck section of Hamburg, leaving 8 police officers dead and scores wounded.

1923

UNITED STATES - Part jew Lister Hill (1894-1984) begins what will be an America-corroding political career. Lister Hill will become a Democratic Congressman (1923-1937) and Senator (1938-1968) from Alabama, and an ardent New Dealer. The New Deal and World War II resulted in the first Jewish revolution in America (the '60s so-called "civil rights" movement being the second).

1923

CHINA - Just as jews communized the Soviet Union, leading to the deaths of millions of innocents, jews also played pivotal roles in communizing China. The key man in China, from the Soviet Union, was jew Mikhail Markovich Borodin (1884-1951); a Soviet advisor sent to China in 1923; he was originally named Mikhail Gruzenberg. A Riga, Latvia Jew, Borodin worked as the chief adviser from the Soviet Union to communize China. Another key jew was Adolf Abramovitch Joffe (aka Ioffe, Yoffe; 1883-1927); was sent to China in August 1922. Official title: Russian Envoy Extraordinary and Plenipotentiary to China. Joffe helped create the Sun-Joffe Manifesto of January 1923. And yet another jew behind the communizing of China was Grigorii N. Voitinsky (1893-1953); emissary to China from Soviet Third Communist International (Comintern); he went to China in early 1920; Jew Voitinsky was aka Zarkhin. 1924

Jew Maurice Samuel tells all about Jewish power and negative Jewish traits in his book "You Gentiles." Few heed his warnings.

1924

Jews in the U.S. Congress play a leading role in pushing for immigration changes that will bring many more non-Europeans to America; they do this in order to create a multi-ethnic country, so that "anti-

Semitism" cannot thrive in America, as it has in most countries throughout the world.

1926

Assassin, Jew Shalom Schwartzbard, murders Ukrainian nationalist Symon Petlura, in Paris. Petlura was in exile from his homeland; he formerly led the Ukrainian army against Bolshevik attack.

1927

U.S. Automaker Henry Ford, Jr. issues an apology (which is later claimed to have not come from Ford himself) to Jews concerning his previous "Anti-Semitic" claims, after years of political and financial pressure directed at Ford from both Jewish and non-Jewish groups. Again: Punished for his truth-telling.

1928

Margaret Mead publishes *Coming of Age in Samoa*, probably the most important 20th century ethnography used to support theories of cultural determinism and its spawn, egalitarianism and relativism. Mead was a protégé of Anthropologist Jew Franz Boas (cf. Franz Boas, 1915 and also Ashley Montagu, 1945). Boas supervised Mead's field work performed on Samoa. In the last decade, Mead's early research on Samoa has been questioned, most notably by Australian anthropologist Derek Freeman, who argues that she was wrong about Samoan norms on sexuality. In fact, Mead's scholarship was poor and confused. The only question is whether or not it was [a deliberate academic fraud](#).

However, the scholarly conclusions from Mead's work were consistent with her mentor's ideological agenda and came just one year before she received her PhD from Columbia University.

1928

November 4. Jew gangster Arnold Rothstein, mentor to Meyer Lansky & Co., who fixed 1919 World Series (Black Sox Scandal), reneges on a bet and is killed by one "Nigger Nate." Rothstein's story was fictionalized in Movie *8 Men Out* by John Sayles.

1929

Germany. Jew Kurt Tucholsky publishes *Deutschland, Deutschland uber Alles*, in which he attacked the churches, the police, the legal system, Hindenburg, the Social Democrats, trade union leaders, the industrious German middle class, and the military's highest officers while he celebrated pacifism and sexual promiscuity. Tucholsky was the most notable of the Jewish Weimar satirists but he was far from the only one. Tucholsky had contempt for German tradition and culture while he lived off of the wealth and tolerance that culture and tradition had built [i.e., he was a parasite]. The Weimar satirists were a major catalyst in the alienation of the German people and a very few years later, their smirks were replaced with expressions of fear. Tucholsky left for Sweden in 1929, his books were burned in Germany in 1933 and he committed suicide in 1935. Everybody wants to know why the Germans hated the Jews so much. This guy is Exhibit 'A' and you will never hear his name mentioned unless you take

an upper level course in German Studies at the university level. (This rather [poor computer translation](#) provides an idea of what Tucholsky was up to.)

"Radio Priest" Father Coughlin begins his radio show. At first, he mentions only Communism, then later, Jewish involvement in Communism. Jews predictably try to silence him.

1930

British government issues Passfield White Paper restricting Jewish immigration to Palestine to respect employment and economic rights of Arabs. Lord Passfield writes "the Jewish hurricane continues...they seem to go wild with excitement and rage." Louis Brandeis warns, on behalf of the Rothchilds, Warburgs and others, that all Jewish money will be withdrawn from British banks in Talmudic revenge. Passfield's wife, Fabian socialist Beatrice Webb, asks, "Why is it that everyone who has dealings with Jewry ends by being prejudiced against the Jews?" She also wonders why the Holy Land was being handed over "to the representatives of those who crucified Jesus of Nazareth and have continued, down all the ages, to deny that He is the Son of God." (See N. MacKenzie, ed., *The Letters of Sidney and Beatrice Webb*.)

The book "Communism In Germany" has never been online -- until now. This book, published in 1933, shows that Germany was actually under siege by Jewish Communists prior to Hitler taking power. Indeed, Jewish Marxists would often start riots in the major German cities which would last 3 or 4 days. In short, the Nazis were acting in self-defense, contrary to what Americans have been told about Nazism in Germany.

March 24. Britain's "Daily Express" (#10.258; Mar 23, '33) reports [Jews declare "War" on Germany](#) at The International Jewish Boycott Conference, held in Amsterdam, designed to bring Germany to its knees financially. (Note that this is long before any Nazi "Holocaust.") This leads to Jews being considered "enemies of the State" in Germany, and is one of the reasons they were concentrated into camps in the first place.

1933

Jews in Germany are barred from working in civil service positions, due to their well-known hostility to traditional German culture.

1933

Jews express utter hostility to traditional American culture and freedom of expression in this [MUST READ letter by the Jewish Supremacist organization, the ADL](#), openly lobbying to stifle the sale of a book ("Conquest of a Continent" by Madison Grant, the well-known president of the New York Zoological Society) that fails to serve "Jewish interests." Note the cold, calculated determination to silence any comment on the book because "the less discussion there is concerning it, the more sales resistance will be created." So much for merit, relevance, or quality dictating the attention literary works get in the Jewish media. The ADL's letter makes clear that they are determined to suppress precisely the realities and wisdom that would have prevented the socio-political problems facing Whites in contemporary 2002 America.

1933

Adolf Hitler comes to power in Germany. He will be the first person in modern Western history to physically try to stop Jewish-led Communism and Jewish domination of many areas of European culture. (Doesn't seem as rabidly evil as Spielberg suggests, when put in true historical context, does it?)

1933

President Franklin D. Roosevelt, who has distant [Jewish ancestry](#) makes a deal with the Soviet Union (treaty, without Congressional approval) allowing them to open an embassy and consulates in the U.S.; this officially recognizes the Soviet Union, even though many U.S. officials warn him not to, as it is an illegal government (i.e., took power by force), and is murdering and oppressing many people. Roosevelt

was a card-carrying leftist who was sympathetic to Marxism. Recall his famous quote "several of my best friends are Communists" -- Read into the Congressional Record, Sept. 22, 1950, pg. A6832.

1933

On May 23, 1933, Congressman, Louis T. McFadden, brought formal charges against the Board of Governors of the Federal Reserve Bank system, The Comptroller of the Currency and the Secretary of United States Treasury for numerous criminal acts, including but not limited to, conspiracy, fraud, unlawful conversion, and treason. During his "Speech on the Federal Reserve Corporation" he said, among other things: "These twelve private credit monopolies were deceitfully and disloyally foisted upon this Country by the bankers [Jews] who came here from Europe and repaid us our hospitality by undermining our American institutions. Those bankers took money out of this Country to finance Japan in a war against Russia. They created a reign of terror in Russia with our money in order to help that war along.... They financed Trotsky's passage from New York to Russia so that he might assist in the destruction of the Russian Empire..." ([*Remarks in Congress, 1934 - AN ASTOUNDING EXPOSURE*](#) Reprinted by permission 1978 Arizona Caucus Club).

1933

September 11. William Luther Pierce is born in Atlanta, Georgia.

1935

The German government revokes the citizenship of Jews, as they are considered "enemies of the state" (a logical conclusion, given their declaration of "war" on Germany).

1935

Nazi Minister of Propaganda Joseph Goebbels gives an anti-Communist speech, titled "Communism With The Mask Off," that is eerily accurate, and that repeats what Winston Churchill said earlier about Jews being heavily involved in Communism in Europe. Sadly, only Nazis listen. This accurate Goebbels speech is considered by Jews to be the epitome of "hate" today. Point: if the Jews are screaming about something being "hate," chances are it's true.

1935

1936

Nazi official in Switzerland, Wilhelm Gustloff, is murdered by 17-year old Jew David Frankfurter allegedly because Gustloff widely distributed the "Protocols of the Elders of Zion", a so-called anti-Semitic forgery, which purports to outline the Zionist plan for world domination. (Note: Whether it was actually written by Jews or is pure gentile fiction, that world events mirror its plan is undeniable. What

is important about The Protocols is the phenomenon it describes, not the motive of its author.)

1936 (and 1937*)

Germany, Italy* and Japan justifiably sign the Anti-Comintern Pact (an anti-Communist treaty). Strangely, Roosevelt does not, instead siding with the Communist mass-murderer Stalin, who has already killed 10 million people.

1936

The U.S. imposes greater duties (taxes) on German goods, and only German goods. Strangely, Soviet goods are not given the same treatment, even though Stalin's crimes are, by this time, FAR worse than Hitler's.

1937

October. Roosevelt hints at a war with Germany in a speech, a huge about-face from previous, "we should be neutral" comments.

1937

Franklin Roosevelt introduces Social Security and, of course, the Social Security Tax. The maximum income subject to this tax increases [every year hereafter](#) and is always just above the upper range of individual middle class wage earners. For example, in the year 2002, the maximum income subject to social security taxes was \$84,900. Thus, an auto mechanic who earned \$55,000 in 2002 paid 6.2% of his gross income in social security taxes. He fell below the \$84,900 earning limit so he paid the maximum rate. The Jewish lawyer who the auto-mechanic's wife hired to sue him for divorce earned \$212,000 in 2002 and paid 2.48% of his income in social security taxes. All of his income above \$84,900 was not subject to social security taxes. Welcome to modern America.

1937/1938

Germany makes numerous attempts to improve relations with the U.S., but is given the cold shoulder on the advice of the largely-Jewish circle of friends advising the part-Jewish Roosevelt.

1938

November 7. Ernst von Rath, a German embassy official in Paris is killed by Jew Herschel Grynszpan (Greenspan).

- <http://www.roizen.com/ron/grynszpan.htm>

1938

November 10. The Nazis respond to the assassination of Rath by Jew Grynszpan by cracking down on German Jews in what is called Kristallnacht, the "night of broken glass."

1938

Rabbi Stephen Wise, FDR's good buddy, admits that Hitler is right when he says that Jews are a race, not just a religion. (Quote from New York Herald-Tribune newspaper, June 13, 1938.)

1938

April. The Catholic magazine "The Sign" states (accurately) that Jews, in Spain and also worldwide, led the fight against conservative Spanish leader Franco, in order to communize Spain.

1939

Famous Jew Sigmund Freud savagely attacks Christianity, while at the same time exalting Judaism and Zionism, in his book "Moses and Monotheism." He also suggests that "anti-Semites" are mentally ill.

1939

The book "Gone With The Wind" is cleverly altered when made into a movie by Jews Louis Mayer and David O. Selznick, who now have a White man trying to rape Scarlett, instead of the original Black male rapist in the book. Another aspect of the book not found in the movie is its noble portrayal of the Klu Klux Klan as patriotic saviors in the anti-White reconstruction-era south.

1939

March. U.S. General George Van Horn Mosely tells the New York Tribune that the coming war (WWII) will be for "establishing Jewish influence throughout the world." In this case foresight was 20/20, as hindsight has confirmed.

1939

Pro-Communist Jew judge Felix Frankfurter named to U.S. Supreme Court by Roosevelt.

1939

The Jewish People's Committee announces, in an advertisement in the Jewish Examiner newspaper, a concerted, country-wide effort to mobilize public opinion in America against "Radio Priest" Father Coughlin, including the push for "local ordinances" (laws) to curb Coughlin's free speech.

1939

A group of largely-Jewish scientists, alarmed by Nazi Germany's nuclear-bomb research, convinces Jew Albert Einstein to write a letter to President Roosevelt about the possibility of the U.S. building an atomic bomb.

1940

Father Coughlin is forced off the radio, but still publishes his newsletter.

1940

The Jewish underground army, the Haganah, sink the ship SS Patria, killing 250 immigrant Jews and 17 others, to gain sympathy for Jews being denied entry into British-run Palestine.

1940

Japan, an anti-Communist country, pushes into Indo-China. Roosevelt complains, but, strangely, does not condemn his buddy Stalin's oppression of millions of people in Russia.

1940

Marxist Frankfurt School [Jew Walter Benjamin](#) (1892 - 1940) flees Paris after it falls to the Germans

and heads for the Spanish border. Informed by the chief of police at the Franco-Spanish border that he would be turned over to the Gestapo, Benjamin chooses the more pleasant alternative and commits suicide.

1941

Truth-telling American hero Charles Lindbergh warns the American nation about Jews agitating to embroil us in WWII "for reasons that are not American": "...Instead of agitating for war, the Jewish groups in this country should be opposing it in every possible way for they will be among the first to feel its consequences. Tolerance is a virtue that depends upon peace and strength. History shows that it cannot survive war and devastations. A few far-sighted Jews realize this and stand opposed to intervention. But the majority still do not. *Their greatest danger to this country lies in their large ownership and influence in our motion pictures, our press, our radio and our government....* I am saying that the leaders of both the British and the Jewish races, for reasons which are as understandable from their viewpoint as they are inadvisable from ours, *for reasons which are not American, wish to involve us in the war*" (Des Moines, Iowa, Speech).

1941

Roosevelt orders Japanese assets in the U.S. to be frozen, largely because Japan is friendly with Germany, the ultimate sin to the part-Jewish, almost-Marxist Roosevelt. He is warned that Japan will consider this an act of war. They do, and later bomb Pearl Harbor Naval Base in Hawaii.

1941

July 10. [Jedwabne, Poland](#). Shortly after the occupation of Poland by Germany, 1,600 Jews were hit with clubs, axes and knives. Afterwards they were pushed into a barn that was set on fire, while a music-corps tried to deafen the screaming. A monument was placed there to remember this Nazi massacre. The only problem? It wasn't a Nazi massacre, it was a Polish massacre. Why? When the Soviets occupied eastern Poland in 1939, the Jews welcomed the Red Army enthusiastically, took part en masse in enforcing the new order and took the Poles' places in local offices. Jews, also in Jedwabne, were members of the Soviet militia and helped deport Poles to Siberia. "This was collaboration with arms in hand, taking the side of the enemy, treason in days of defeat," writes Strzembosz. And it is that treason which the Jews in Jedwabne paid for, burned alive in Slezynski's barn, when the Red Army was no longer there in 1941. There were Poles in Jedwabne who had been freed from Soviet prisons by the German offensive, who had their accounts to settle with the Jews. There were the families of those who had been exiled to the east. In other words, the murder in Jedwabne was revenge for the Jews' earlier anti-Polish actions.

1941

August. Roosevelt and Churchill sign the Atlantic Charter, pledging to spread democratic values(!). Check out [these](#) WWII Allied recruiting signs. Uncle Sam, a Red Army Soldier and John Bull POINTING out to YOU to serve THEIR country. Here we see a visual alliance between USA/Soviet/Britain against you-know-who. As the pictures are small, notice the following about the signs: the prominence of RED in all three posters; Sam and the Soldier both share the five-pointed star; Sam and John are both wearing Top Hats (a symbol of monetary wealth?); all of them highlight the word "YOU," as if the same artist designed all three signs.

1941

September 29. Babi Yar, Kiev, Ukraine. Kiev fell to the Germans during Operation Barbarosa on September 19th, 1941. Prior to evacuating the city, the Soviet security services left explosives in a number of buildings timed to detonate between September 24 and 28. The buildings in which they had been placed were commandeered by the German military administration and substantial German casualties were sustained. A meeting of high ranking German officers was convened to determine the response. The response would be the elimination of the Jews of Kiev. The punishment would be administered to the most troublesome population subgroup in Eastern Europe -- the group that had concocted and incubated communism. Beginning on September 29, the Jews of Kiev were assembled and marched to the vicinity of the ravine. Not far from its edge they were told to strip off their clothes and remove their valuables. In groups of ten they were marched to the edge, whereupon they were shot and fell into the Yar. The accepted estimate is that 33,771 Jews were executed in this manner. The Ukrainians haven't missed them.

1941

December. U.S. "officially" enters WWII, siding with the already-mass-murdering Communist Soviet Union.

1942

January 20. [THE WANSEE PROTOCOL](#). A group of high ranking Nazi Germany government officials gather for a meeting in the Berlin suburb of Wannsee. The purpose of the meeting is the final disposition of European Jewry. Notice that there follows no discussion of 'gas chambers' whatsoever in the meeting. There is discussion of segregation according to sex, hard labor and "treating the most resistant portion accordingly" which of course implies killing them. The German Einsatzgruppen had already killed many Jewish partisans in the East (unless the locals got to them first: cf. 1941 Jedwabne) at this point. The questions intelligent people should be asking themselves is: Was Germany short on bullets? How many military caliber bullets does it take to kill one person? Then why the detailed plans for relocation if they just intended to gas 'em? Why the elaborate concentration camps with medical facilities? Why spare persons of mixed blood? Why not one bullet per Jew and be done with it?

1942

Father Coughlin loses his bulk-mailing permit, by order of part-Jewish Roosevelt.

1942

A team of largely-Jewish scientists starts the Manhattan Project, to build a nuclear bomb. Some of the scientist Jews are later charged with providing the Soviet Union with nuclear information. (Most nuclear spies have been Jews.)

1943

"Scientist X" passes on vital information about atomic research in the United States to communist agent Steve Nelson. Scientist X is later revealed to be the Jew Joseph W. Weinberg. Steve Nelson's real name is Mesarosh, and he is a Belgrade-born Jew. He has studied at the Lenin Institute in Moscow, and lived in Russia between 1931-1943.

1944

Horkheimer and Adorno -- both Frankfurt School Marxist Jews (cf. 1950) -- publish *Dialectic of Enlightenment* in which they dedicate a chapter to a refined theory of anti-semitism. (The Jews at this time are falling all over themselves to construct theories that ensure anti-semitism is ALWAYS caused by a defect, illness, or pathology of the gentile, NEVER an appropriate response to the behavior of the Jew. The Jewish Frankfurt School, Jewish psychoanalysis, Jewish cultural anthropology, even the largely Jewish/pro-Jewish school of French existentialism -- cf. Sartre's essay "Anti-Semite and Jew" -- are ALL scapegoating the rest of humanity to protect the precious Jew from any form of criticism.)

1944

Lord Moyne, British Minister for Mideast, is assassinated in Cairo by two jews, quite probably on orders of Menachem Begin.

1945

An employee at the Soviet embassy in Ottawa seeks asylum in Canada, and brings with him a portfolio containing hundreds of classified documents. Through these documents a spy ring is revealed, and the news shake Canadian society. The most important member of the spy ring is Polish-born Jew Fred Rose (Rosenberg), the only communist in the Canadian parliament. He has acted as the spy ring's leader, main recruiter, and courier. Another member is Dr. Raymond Boyer, professor at McDill University, who has passed on information about the secret explosive RDX. He is married to Jewess Anita Cohen. His partners in crime are the Jew Samuel Gerson and David Shugar, probably Jewish. Several other Jews are found in the spy ring, despite the fact that the number of Jews living in Canada is very small.

1945

Hungaria: When Hungaria once again falls into communist hands, Jew Matyas Rakosi becomes the country's supreme dictator, ruling together with Jews Erno Gero and Zoltan Vas. Hundreds of Jews who had fled to Russia after Bela Kun's defeat now return to once again take power.

Poland: The Jews Minc, Skryeszewski and Modzelewski are on cabinet level, while Jacob Berman officially is the state undersecretary. However, Jacob Berman is something of a grey emissary behind the throne, and is often regarded as ruling post-war Poland together with the other three. Berman was raised in the Warsaw Ghetto, has lived in Russia, and is installed as dictator during the Soviet occupation of Poland. Yet he prefers to work behind the scenes with a minor title. Jews make up only three percent of the Polish population, but their enormous overrepresentation in the state bureaucracy is matched only by that of the Soviet Union.

Rumania: Anna Pauker, boss in post-war Rumania, is very obviously Jewish and, which is unusual, openly spoken of as such. Her father is a kosher butcher, living in Israel. Her husband was a Trotskyist in Russia and executed in a purge; nevertheless Anna Pauker remains completely loyal to Moscow.

Yugoslavia: The only non-Jewish dictator behind the Iron Curtain is Tito, which probably explains his revolt against Kreml (and we see the same thing happen in China; Beijing eventually resents Moscow's

increasingly dictatorial decrees in their domestic affairs, and Chinese leaders see no other choice than to break with the Soviet Union). However, Tito's mentor is the Jew Mosa Pijade, who has provided him with his ideological training.

Czechoslovakia: The General Secretary of the communist party is Jew Rudolf Slansky, and just like the other bosses in the satellites his power is given to him by the Soviet Union. He will lose power in a purge in 1952 and be sentenced to death along with ten other top members of the party. All of these are Jews, and the purge is a result of Stalin's late plans to de-Jewify the communist camp.

1945

Shortly after Japan's surrender, Harry Truman places the atomic research program in the hands of a board consisting of five men, of which three are Jews. The Jewish head of the board, David Lilienthal, has belonged to at least two communist front organizations.

1945

FBI arrests six individuals, of which three are easily recognizable as Jews, for the theft of 1,700 strictly confidential documents from state department archives. This is the Amerasia case. The second case of treason is the Alger Hiss case. Alger Hiss is the protege of Felix Frankfurter, judge in the Supreme Court. Hiss has studied under Frankfurter at Harvard. He is one of the most influential men at the state department, and advised Roosevelt at the Yalta Conference. He has helped write the charter for the United Nations in San Francisco. He is a communist, but that is not why he is convicted; he is convicted of perjury, when he lies to a court of law about his political leanings. Felix Frankfurter lends his weight to the defense by agreeing to witness about Hiss' character; Frankfurter, a Jewish immigrant from Austria, also has a lifelong interest in pro-Marxist activities. With Lehman and Henry Morgenthau he will for a while be one of the most influential Jews in the United States. Together with Hiss and Dean Acheson he places approximately two hundred of his "proteges" in high posts. They include (1) Nathan Witt, former general secretary of the National Labor Relations Board; (2) Lee Pressman, top legal counselor to the CIO; (3) John Abt, main prosecutor for the SEC, the AAA, and the WPA. All are Marxist Jews. Pressman will later admit to being a member of the American Communist Party.

1945

February 14-15. Dresden, Germany. Overnight, one of Europe's great centers of art and culture, a city that had become a hospital center for German, American and British wounded, that housed many thousand allied prisoners of war, and that had become a haven to refugees fleeing the red army, was bombed into oblivion. An estimated 135,000 were killed by American and British bombers attacking a city with no military value (death toll estimates vary from 28,000 to over 250,000). The perpetrators of one of history's great outrages were to receive the laurels of glorious victory rather than a place at the Nuremberg Trials. Most historians label actions such as these as unexplainable 'mysteries' or mistakes. Dresden was neither. Why was this attack undertaken? The answer takes us back three years to the delivery of a report to Winston Churchill on March 30, 1942 by Professor F.A. Lindemann (name later changed to Lord Cherwell), the Prime Minister's Science Advisor and a Jewish refugee from Germany. Jew Lindemann's report provided the final rationalization for the program Bomber Command would undertake, and it would henceforth be paper-clipped to the plans of the bomber offensive. Lindemann estimated that every 40 tons of bombs "dropped on built-up areas" would "make 4,000 to 8,000 people

homeless." This report to the PM stated: "In 1938 over 22 million Germans lived in 58 towns of over 100,000 inhabitants, which, with modern equipment, should be easy to find and hit." Presumably, when one drops tons of bombs on "built-up areas," one kills thousands of innocent civilians. That fact did not escape Jew Lindemann, whom you never read about in your high school or college history courses.

1945

The ADL distributes 330,000 books in America, designed to convince the public that "anti-Semitism" is a form of mental illness. Meanwhile, Zionist anti-gentilism, as expressed in the Talmudic doctrine "only Jews are human," is considered perfectly natural and healthy in Jewish culture. [Note: As mental illness increasingly became a legal defense in the latter half of the 20th century, the ADL and other Jewish activist groups have lobbied aggressively to exclude Anti-Semitic so-called "hate crimes" from this defense. When is Anti-Semitism a mental illness? When it's good for the Jews. When is it clear-minded but inexcusable violence warranting an extended prison sentence? When it's good for the Jews. This is not an anomaly.]

1945

Arab King Ibn Saoud complains to Roosevelt that "an army of Jews, armed to the teeth" is slowly preparing to attack Palestinian settlements. This is true, but Roosevelt ignores his protests. [Note: Approximately 5 decades later, Arab terrorists level two World Trade Centers in NY and part of the Pentagon in retaliation for America's complicity in the theft of Palestine.]

1945

U.S./Britain/Russia crush Germany and Japan, which, by default, kills the first concerted, modern effort to defeat Jewish/Communist power.

1945

Communist Jew Harry Dexter White (real name Weiss) writes much of the Morgenthau Plan, which will surrender a large portion of Europe to Communist/Jewish/leftist rule. (It's always a good idea to let Communist Jews write important government mandates.)

1945

American Jew Henry Morgenthau (of The Morgenthau Plan), is assigned to oversee the restructuring of Europe, a conflict of interest of staggering proportions.

1945

General Patton, before his death, comments that the upcoming, planned trial of Nazi "war criminals" is illegal (ex post facto) and "Semitic" (Jewish-created, a conflict of interest).

1945

"Cultural anthropologist" Jew Ashley Montagu publishes the bible of the "equality movement," a book titled "Man's Most Dangerous Myth: The Fallacy of Race." Liberals everywhere use it to "stop racism," with great success. Trouble is, race/eugenics/heredity is real. Racial loyalty and purity is the goal of Judaism in general, Zionism in particular. As always (at least since the beginning of recorded history to

present day!), Jews keep the truth for themselves and spread opportunistic lies to their neighbors and host cultures.

1946

Various Germans are brought to trial at Nuremberg for what is called "crimes against humanity" (law which did not exist before the war, and is ex post facto [after the fact] law, which is illegal in America). Many of the judges are Jews, and many of the persons present also are Soviet/Communist officials. Strangely, no "crimes against humanity" have YET been brought against ANY Communist country, even though their body count is FAR greater (by millions and millions).

1946

At Nuremberg, Germany, German publisher Julius Streicher testifies that Nazism actually borrowed its racist ideas from Judaism itself, saying that they liked the idea of a closed, "supremacist," race-based society that would exist for 1,000 years (as Judaism has; actually, longer than that). Of course, what's "tradition" for Jews is "tyranny" for anyone else.

1946

Zionist Terrorist Group Irgun, lead by future Israeli Prime Minister Menachem Begin bombs the [King David Hotel](#). 91 people were killed and 45 were injured. The King David Hotel housed the British military command and the British Criminal Investigation Division. This was the gratitude that the Jews gave the British for fighting so hard against the Jews' enemies (the Germans) in WWII. Modern day Jews like to talk about their fight against Palestinian Terrorism. But they don't like to talk about how it was they who invented modern terrorism.

1946

Jewish Dr. Benjamin Spock liberalizes child care for millions of gentiles with his book *The Common Sense Book of Baby & Child Care*. It sold many millions of copies and probably influenced more gentiles re: baby care than any other book.

1946-1947

Thousands of Jews from Europe are secretly convoyed (sent) to Palestine, even though they do not yet own it, giving credence to King Saoud's claims. British General Frederick Morgan complains about it.

1946-forward

"Conservative" persons all over Europe are murdered and oppressed by Jews and Communists who returned from Russia, now that Eastern Europe had been freely given to the Communists.

1947

The U.N. General Assembly recommends, after much political pressure, giving Palestine to the Jews as soon as British rule officially ends on Aug. 1, 1948. The Jews do not wait that long.

1947

American Communists (known as the Hollywood Ten) are brought before the U.S. House Un-American

Activities Committee. Nine of the "10" Jews, including Ring Lardner, Jr., who would later write the film version of "M*A*S*H."

1947

Nearly 100 right-wing U.S. Congressmen and Senators learn that U.S. Jewish organizations have secretly inserted language into the Congressmen's civil service files, falsely describing the Congressmen (and their wives) as "Nazis." This activity is illegal, since at that time certain political affiliation questions in personnel files are officially banned by the U.S. government.

1948

Auschwitz [plaque](#) reads: "Four million people suffered and died here at the hands of the Nazi murderers between the years 1940 and 1945." (cf. [1990 plaque](#).)

1948

April 4. [Deir Yassin Massacre](#). Jews, led by Menachem Begin (later Israel's leader), slaughter 250 unarmed women and children at Deir Yassin in Palestine (also spelled Yasin). Women are raped first. It's so brutal even a handful of intellectual Jews including Albert Einstein, Hannah Arendt, and Sidney Hook condemn the massacre via a [collective letter to The New York Times, published December 4, 1948](#).

1948

May. After vicious, Jew-instigated fighting with Arabs, Jews declare that they now own Palestine, calling it "ISRAEL," even though they do not yet legally own it.

1948

Jewish hatred: "We should prepare to go over to the offensive. Our aim is to smash Lebanon, Trans-Jordan, and Syria. The weak point is Lebanon, for the Moslem regime is artificial and easy for us to undermine. We shall establish a Christian state there, and then we will smash the Arab Legion, eliminate Trans-Jordan; Syria will fall to us. We then bomb and move on and take Port Said, Alexandria and Sinai." David Ben-Gurion, May 1948, to the General Staff. From *Ben-Gurion, A Biography*, by Michael Ben-Zohar, Delacorte, New York 1978.

1948

Jewish hatred: "We must do everything to ensure they [the Palestinian refugees] never do return." David Ben-Gurion, in his diary, 18 July 1948, quoted in Michael Bar Zohar's *Ben-Gurion: the Armed Prophet*, Prentice-Hall, 1967, p. 157.

1948

Salha Massacre (Israel/Palestine). After forcing the population of a village into the local mosque, Israeli jews order them to face the wall, then shoot them from behind. Jews murder 105 indigenous Palestinian villagers.

1948

Count Folke Bernadotte of Sweden is assassinated by Jews in Palestine.

1948

1949

On February 3, British intelligence arrests the German-born Klaus Fuchs; he is tried and convicted for having passed on atomic secrets to the Soviet Union. Klaus Fuchs is a Jew. He worked with the Manhattan Project at Albert Einstein's personal request, thereby given access to the most sensitive atomic secrets in the United States between the years 1942-1945. After information provided by Fuchs the FBI manages to capture nine other atomic spies; eight of the nine are Jews. They have worked hard on mapping and passing on America's atomic secrets to its greatest enemy, the Jewish cabal in Moscow.

Three of the spies declare themselves not guilty, and this results in that two of them, the Jews Julius and Ethel Rosenberg, are sentenced to death. The third, Morton Sobell, is sentenced to thirty years in jail. The Rosenbergs' fate will be bemoaned by the Jewish media for many years to come.

The strong presence of communist Gentiles and Jews in the Manhattan Project and following atomic research has given much cause for speculation. It should be remembered that one of the Manhattan Project's most central actors is Albert Einstein, a German-born Jew with no less than sixteen red organizations behind him. It has never been proven that Einstein was a member of the communist parties, but his leanings are obvious. A list of his friends and proteges sounds like it could be entitled "Who is who in American communism." Furthermore, the head of the Los Alamos atomic institute between the years 1943-1945, when most of the nuclear thefts took place, was the Jew Robert Oppenheimer. His brother Frank was also a nuclear physician, and was a member of the communist party.

1949

September 30. California Jewish Voice newspaper editor Sammy Gach praises (in print) the fact that the Soviet Union now has the A-bomb.

1949

Jewess Judith Coplin is arrested in June, while handing over documents from state department archives to a Soviet agent, who is employed by the United Nations. She is convicted of treason and sentenced to fifteen years in jail. The conviction is later declared illegal by the Supreme Court, on the grounds that the FBI's arrest was made without a court order. Judith Coplin walks free.

1949

A trial is held against Eugene Dennis and the Convicted Eleven. They make up the National Secretariat for the American Communist Party - in other words, the American politburo. At least six of the eleven are Jews: Jacob Stachel, John Gates (Israel Regenstreif), Gilbert Green (Greenberg), Gus Hall (Arvo Mike Halberg), Irving Potash, and Carl Winter (Philip Carl Weissberg). The ethnicity of three of the others, Eugene Dennis (Waldron), Robert Thompson, and John Williamsson are never established. Ten

of the Convicted Eleven are sentenced to five years in a federal prison, and fines of ten thousand dollars each. Thompson is given three years in jail.

1940s - 1950s

[Maier Suchowljansky](#) (1902-1983), better known as Meyer Lansky, a Jew from Grodno, Poland, was the Founder of the National Crime Syndicate, the parent organization of what became the American Mafia. Other notorious mafia Jews include Zwillman or Moe Dalitz, or even the often unpredictable Dutch Schultz.

1950s

Consider this [1950s newspaper ad for Heinz baked beans](#) selling its official jew-approved "kosher" status. The import of this ad is at least twofold. Generally, the latent jewishness of America begins to emerge and manifest in a number of ways, including newspaper advertisements catering to this supposed "small, insignificant, and eternally victimized minority." Specifically, it's an overt, explicit example that the "kosher food tax" is real. The criminal anti-White jewish supremacist group ADL lies about the kosher food tax: *"The bizarre claim by right wing extremists that kosher certification markings on food product labels ("U" "K," etc.) cost consumers extra money and represent, in effect, a "kosher tax" to make rabbis rich, is a striking example of the propaganda used by anti-Semites to trick the uninformed into accepting conspiracy charges and stereotypes about Jews."* The ADL then goes on to admit that the supposed "myth" or "hoax" is in fact TRUE but insignificant, because *"the cost to the consumer for this service is a miniscule fraction of the total production overhead."*

Jews Ethel and Julius Rosenberg are caught spying against the U.S. and are later executed. Most nuclear spies in America have been Jews.

1950

Publication of *The Authoritarian Personality* (Harper & Row) written by Theodor W. Adorno and Max Horkheimer -- both Frankfurt School Marxist Jews (cf. 1944). The book's purpose is to diagnose every non-Jewish group affiliation as a sign of mental illness. Nationalism, patriotism, religious conviction, strong loyalty to family and/or race are all signs of a dangerous and defective "authoritarian personality." Drawing distinctions between different groups is illegitimate, therefore all group loyalties are "prejudice." The usual double standard is at work: Group loyalty, respect for tradition, and consciousness of differences among Jews are seen as healthy, **central to Jewish identity**, i.e. "good for Jews." Yet, when found in gentiles, it is diagnosed as mental illness. As part of the study, Theodor Adorno devised the [F-Scale Test](#): What this test did was to characterize normal Gentile behavior and attitudes as pathological. Read the questions and the agenda of the cosmopolitan, Marxist Jew seeps out. More importantly, imagine how many of the traits and attitudes this test sought to identify have changed in the 50 years since it was created. America has changed--to the advantage of the Jewish minority. As MacDonald [points out](#), "many of the central attitudes of the largely successful 1960s countercultural revolution find expression in *The Authoritarian Personality*, including idealizing rebellion against

parents, low-investment sexual relationships, and scorn for upward social mobility, social status, family pride, the Christian religion, and patriotism." This is literally because Jews attacked many traditional attitudes and commonly held views as psychologically sick. They did this not through the scientific method but rather through mutual citation within their small Jewish cliques of Marxists, Freudian psychologists and sociologists.

1950-forward

Jews still control the political Left in American, including most Communist and left-wing, socialist groups, and lead the intellectual movement on most college campuses. Jews during this period are considered "enemies" of "traditional" American culture.

1950

Jew Gerhart Eisler flees the country while free on bail. He escapes on the Polish ship Batory, and becomes director of propaganda in Eastern Germany. He was the secret leader of the American Communist Party between the years 1935 and 1947, traveling to the USSR regularly under false names. He is the highest ranking member of the communist party ever to be put on trial in the United States; it is believed he helped organize espionage for the Soviet Union. His right-hand man was J.Peters, whose real name was Goldberger - also a Jew. He was the second highest ranking communist agent in the United States at the time. A sister to Eisler, Ruth Fischer, also works as a communist agent for many years.

Ten leading movie producers are convicted of contempt against congress. They are called the Hollywood Ten, and nine of them are Jews. All had been asked to attend a hearing held by the committee for un-American activities in 1948, and they had refused to testify. A major campaign starts in Hollywood on behalf of the Ten, with several influential Jews fighting tooth and nail for their case. Major Jewish-owned newspapers deny that the Ten are communists; however, six of the Ten are members of the communist party, and the other four have well-documented communist activities in their baggage.

1951

On July 26 the FBI arrests fifteen of the American Communist Party's leaders, all from the west coast. They are only second-tier leaders, the top leaders having already been sentenced to jail. Six of them were Jews; a seventh, Carl Rude Lambert, is probably Jewish, and the ethnicities of the other five are not established. Five more arrests are later made on the east coast; four of them are Jews. All are prosecuted for having conspired against the government of the United States.

1951

An arm of the U.N., UNESCO, declares, in print, that "Jewish" is only a religion, not a race. This is a blatant lie; further, FDR's good buddy Rabbi Wise already said, in print, that Jews are a race, years earlier. One of the key people involved in the writing/research of this declaration is Jewish, although his contribution is published somewhat later (i.e., Harry Shapiro, 1953, according to A. Koestler's book).

"Six-Million tragically perished." Where have we heard this before? According to the book *The Iron Curtain Over America* by John Beaty, p. 134: ..."According to Appendix VII, 'Statistics on Religious Affiliation,' of The Immigration and Naturalization Systems of the United States (A Report on the Committee on the Judiciary of the United States Senate, 1950), the number of Jews in the world is 15,713,638....A corresponding item, with the title, 'Population Worldwide, by Religious Beliefs' is found in the World Almanac for 1940 (p. 129), and in it the world Jewish population is given as 15,319,359. If the World Almanac figures are correct, the world's Jewish population did not decrease in the war decade, but showed a small increase." And yet, six million tragically perished? By the way, this book was first published in 1951, long before the Holocaust industry (as Jew Norman Finklestein calls it) had taken on a life of its own.

The Jewish ADL demands that the conservative American Legion magazine print a retraction regarding an "Anti-Semitic" (but factual) book excerpt (by legit author Douglas Reed) that they printed. The Legion magazine editor refuses, but is overruled by higher-ups, and the usual "apology" is printed. The editor quits in disgust.

Jews Ethel and Julius Rosenberg are executed for giving atomic secrets to Soviets (they are actually at the center of a Jewish spy ring). The Rosenbergs are and will continue for half a century to be a cause celebre among Jewish leftist intellectuals who believe they were victims of an "anti-semitic witchhunt." In 1995 the VENONA decrypts are declassified and released by the NSA proving that these and other Jews were guilty.

The McCarthy Senate anti-Communist hearings begin, and continue for a total of 199 days. Jews attack Senator McCarthy mercilessly, since Communism in America is heavily Jewish. They even accuse McCarthy of "anti-Semitism," even though McCarthy has a Jewish sidekick (Roy Cohn).

Egyptian Jews blow up American facilities in Egypt, in an attempt to damage relations between the U.S./Egypt, by making the sabotage look like non-Jewish Egyptians did it. Called "The Lavon Affair," after Israeli Defense Minister Pinhas Lavon.

The 1954 *Brown v. Board of Education* ruling by the Supreme Court, which desegregated U.S. public schools, was likely the most important Black civil-rights ruling ever handed down by an American court. But not only do we know that a Jewish woman launched *Brown* (Esther Swirk Brown), but a Jewish lawyer gives a quote in his book that the *Brown* case was initiated almost solely by Jews: "**Charles Black likes to point out that of the half-dozen white lawyers who signed the brief in *Brown v. Board of Education* he was the only non-Jew**" (from the book "Crusaders in the Courts: How a Dedicated Band of Lawyers Fought for the Civil Rights Revolution" by Jewish/American civil-rights lawyer Jack Greenberg, 1994, BasicBooks, New York, USA, p.50, hardcover).

Marxist [Jew Herbert Marcuse](#) publishes *Eros and Civilization*, a critique of capitalism in which he attempts a synthesis of Marx and Freud (i.e., uninhibited sexual experimentation and godless egalitarianism are the keys to an American utopia). The book later fuels the leftist counter-culture student movement in the 1960s. Marcuse soon became known as "the father of the new left." He was born in Berlin on July 19, 1898; completed his Ph.D. thesis at the University of Freiburg in 1922; worked as a bookseller in Berlin; then returned to Freiburg in 1929 to write a dissertation with Martin Heidegger. In 1933 the political climate in Germany changed to become less accommodating to Marxists Jews and Marcuse fled, emigrating to the United States, where he became a citizen in 1940. During World War II he worked for the US Office of Strategic Services (forerunner of the CIA), analyzing intelligence reports about Germany (1942-45-51). In 1952 he began a university teaching career as a political theorist, first at Columbia and Harvard, then at Brandeis, and finally at the University of California, San Diego. Marcuse coined the 60s infamous jew-left anti-war against communism slogan: "Make Love Not War." (Note: Jews discard this principle whenever Israel is threatened. One standard for Jews, another for everyone else.)

1956

Encyclopedia Britannica mentions no "gassing" or "Holocaust," simply "concentration camps," i.e., areas where Jews were "concentrated" or kept together as a group. A universal practice of war; not a uniquely horrendous "crime against humanity."

While enflaming the Negro minority against the Whites, we will endeavor to instill in the Whites a guilt complex for their exploitation of the

Negroes. We will aid the Negroes to rise to prominence in every walk of life; In the professions and in the world of sports and entertainment. With this prestige the Negroes will be able to intermarry with the Whites and thereby begin the process that will deliver America to our cause."

1960s

Jewish groups are successful in their attempts to get "Jewish" listed as a religion only, and not a race, on official questionnaires, census forms, etc. This makes it much harder for non-Jews to claim that Jews "think alike and act alike as an ethnic group." Clever.

The Freedom Riders, a group of mostly young college students from areas of the country without a lot of Negroes converge on the deep South in order to force working class White Southerners to integrate with the Negroes the upper middle class college students wouldn't ever dream of associating with. (Their stated goal was to "challenge that region's outdated Jim Crow laws and the non-compliance with a U.S. Supreme Court decision that prohibited segregation in all interstate public transportation facilities.") What isn't widely known is that up to two-thirds of the non-Negro Freedom Riders were Jews.

At first the case looked doomed, but the Jews triumphed in the end; note Jewish lawyers/Jewish judge in circuit court. Greenberg is Jewish, and Meltsner is very likely Jewish [via his photograph]. November 22. President John F. Kennedy is assassinated in Dallas, Texas, allegedly by Lee Harvey Oswald. Though the issue is a hotbed for various "conspiracy theories," in "Final Judgment" Michael Collins Piper presents serious, substantive evidence and makes a powerfully compelling argument that the Israeli MOSSAD killed JFK over Israeli nuclear weapons. Mark Braver's review of "Final Judgment" clarifies misconceptions about Piper's thesis, quoted here at length:

There seems to be a lot of misperception of what Final Judgment does and does not say about the JFK assassination. The book does not say that "the Jews killed JFK." That's horse manure.

What the book does say is that: When New Orleans District Attorney Jim Garrison charged businessman Clay Shaw with participation in the JFK assassination conspiracy Garrison stumbled upon the Israeli Mossad connection to the murder of President Kennedy. Shaw served on the board of a shadowy corporation known as Permindex. A primary shareholder in Permindex was the Banque De Credit International of Geneva, founded by Tibor Rosenbaum, an arms procurer and financier for the Mossad.

What's more, the Mossad-sponsored Swiss bank was the chief "money laundry" for Meyer Lansky, the head of the international crime syndicate and an Israeli loyalist whose operations meshed closely on many fronts with the American CIA.

The chairman of Permindex was Louis M. Bloomfield of Montreal, a key figure in the Israeli lobby and an operative of the Bronfman family of Canada, long-time Lansky associates and among Israel's primary international patrons.

In the pages of "Final Judgment" the Israeli connection to the JFK assassination is explored in frightening--and fully documented--detail. For example, did you know:

* That JFK was engaged in a bitter secret conflict with Israel over U.S. East policy and that Israel's prime minister resigned in disgust, saying JFK's stance threatened Israel's very survival?

* That JFK's successor, Lyndon Johnson, immediately reversed America's policy toward Israel?

* That the top Mafia figures often alleged to be behind the JFK assassination were only front men for Meyer Lansky?

* That the CIA's liaison to the Mossad, James Angleton, was a prime mover behind the cover-up of the JFK assassination?

Why didn't Oliver Stone, in his famous movie "JFK" not mention any of this? It turns out the chief financial backer of Stone's film was longtime Mossad figure, Arnon Milchan, Israel's biggest arms dealer.

[Origin of "Quotas."](#) The ink was hardly dry on the 1964 Civil Rights Act before an EEOC bureaucrat, Jew Alfred W. Blumrosen, illegally and unconstitutionally subverted the statutory purpose of the law. Judicial complicity and congressional distraction enabled Blumrosen to redefine discrimination from a **purposeful action against an individual to the absence of proportional representation regardless of discriminatory intent.** In this way Jew Blumrosen originated the system of race and gender privileges known as quotas that are thoroughly institutionalized throughout the government, private industry, and universities. What this means to us in 2002 is the 1964 Civil Rights Act has been illegally enforced for 37 years. The result is a massive system of race and gender discrimination against White males in order to achieve proportional representation of racial minorities and women.

Jews lead (and populate) the radical "counter-culture" and student movements in America. Jews Abbie Hoffman and Jerry Rubin become nationally known.

Indeed, some estimates suggest that 60% of the leadership for the 60s-era radical SDS (Students for a Democratic Society) were Jews (well-known radicals included Kathy Boudin, Bettina Aptheker, among many others). From 1960 to 1970, five of the nine changing presidents of the organization were Jewish males (Al Haber, Todd Gitlin, and the last three for the decade: Mike Spiegel, Mike Klonsky, and Mark Rudd). "Perhaps fully 50 percent of the revolutionary Students for a Democratic Society," says Milton Plesur, "and as many as 50 to 75 percent of those in campus radical activities in the late 1960s were Jewish." As Stanley Rothman and S. Robert Lichter note:

"The early SDS was heavily Jewish in both its leadership and its activist cadres. Key SDS leaders included Richard Flacks, who played an important role in its formation and growth, as well as Al Haber, Robb Ross, Steve Max, Mike Spiegel, Mike Klonsky, Todd Gitlin, Mark Rudd, and others. Indeed, for the first few years, SDS was largely funded by the League for Industrial Democracy, a heavily Jewish socialist organization. SDS's early successes were at elite universities containing substantial numbers of Jewish students and sympathetic Jewish faculty, including the University of Wisconsin at Madison, Brandeis, Oberlin, and the University of California. At Berkeley SDS leaders were not unaware of their roots. As Robb Ross put it, describing the situation at the University of Wisconsin in the early 1960s, '... my impression is that the left at Madison is not just a new left, but a revival of the old ... with all the problems that entails. I am struck by the lack of Wisconsin-born people [in the Madison-area left] and the massive preponderance of New York Jews. The situation at the University of Minnesota is similar' ... Berns and his associates found that 83 percent of a small radical activist sample studied at the University of California in the early 1970s were of Jewish background." Read more here:

U.S. Immigration Act, which increases non-White immigration dramatically, is authored and pushed for by Jews in Congress, and also pushed for by Jewish groups with great vigor. They succeed. Make no mistake: without Jews America would not be overrun with non-Whites as it is today and Whites would not be -- as they are today -- on the road to minority status in their own country. For all the nooks and crannies of this ugly, Jewish assault on the U.S. via immigration policy see Kevin MacDonald's famous paper, "[Jewish involvement in influencing United States immigration policy, 1881-1965: A historical review](#)." (Population and Environment, 19, 295-355, 1998. Cf. MacDonald's *The Culture of Critique: An Evolutionary Analysis of Jewish Involvement in Twentieth-Century Intellectual and Political Movements*.) Though it is often said that when the old immigration policy was overturned in 1965, scarcely anyone knew, and no one predicted, that the new law would change the racial makeup of the country, MacDonald disputes this, arguing that this had been the objective of Jewish groups from the beginning.

Also note:

--Congressman Jew Emmanuel Celler (D-NY) recruited the non-Jew, Sen. Philip Hart (D-MI) as his frontman for their landmark 1965 immigration bill (aka the Hart-Celler Act). Note that Hart-Celler was the law that destroyed America by deliberately flooding the U.S. with non-Whites, as per organized Jewry's wishes.

--The November 1965 issue of the 'ADL Bulletin,' the group's internal publication, carried an article by the director of the ADL's law department, Sol Rabkin, who was present at the signing of the new law by President Lyndon Johnson. Also present at the signing was Benjamin R. Epstein, then the national director of the ADL. Under the heading 'The restrictive national origins quota system is finally abolished -- after a forty year fight,' Rabkin boasted: "The Anti-Defamation League is proud of the educational role it played in helping to bring this about."

June 8. During the Six Day War between Israel and the Arab States, Jews attack the American intelligence ship USS *Liberty* for 75 minutes in international waters with Israeli aircraft and motor torpedo boats. Thirty-four American men die and 172 are wounded. Survivors and many key government officials including Secretary of State Dean Rusk and former JCS Chairman Admiral Thomas Moorer say it was no accident; the ship was clearly identified as American, complete with American flag. Israel and its supporters insist it was a "tragic case of misidentification" and charge that the survivors are either lying or too emotionally involved to see the truth. (Strangely, jews do not use this argument to question the veracity of their "Holocaust survivors," even those who "remember" obvious fictions like "geyers of blood spurting from the soil.") The *Liberty's* commanding officer,

Captain William Loren McGonagle, receives the Congressional Medal of Honor for conspicuous gallantry and intrepidity at the risk of his life above and beyond the call of duty during the attack. The Congressional Medal of Honor is the highest award our country can bestow. November 22. **UN Resolution 242** is passed, calling for Israel to return the land it stole from the Palestinians during the 1967 Mideast war, a war that Israel started. Among the land Israel stole is an important area called the West Bank. Israel brazenly violates this UN resolution -- as well as over 60 others! -- for decades with impunity. Indeed, as of this writing almost 4 decades later (October 7, 2003), Israel is still in violation of over 60 UN resolutions, including resolution 242. Yet, rather than punish Israel for its gross and continued violations by cutting off U.S. financial aid or threatening a military attack unless they comply, the U.S. continues sending Israel 10 MILLION DOLLARS A DAY of U.S. taxpayer money while it sacrifices American money and lives to overthrow and occupy Iraq. A term used to describe the deaths of Jews in the WWII era, "The Holocaust," comes into common usage, as urged by Jews themselves. He created a series of "roughies," each one more extreme than the last. His films featured rape, abduction, S&M, and included scenes of gynecological examinations. Davian was also member of an Israeli cadre of pornographers. He had a Dachau tattoo. Whether he was actually in a Nazi concentration camp or it was just a ruse so he could return to Israel if he needed to flee the country, was a matter of speculation. His associate, Toby Ross, director of homosexual "chicken classics," snickered that Davian's tattoo was the perfect out for an international criminal.

In an unforgettable terrorist act, the Israeli air force fighters shot down the Libyan civilian jet with no hesitation killing all its passengers except one survivor. Innocent people murdered by jewish terrorists: Abdul-Adeem Mostafa Damdoum (1 year old), Mohammad Saad Abou-Zaid (3 years old), Hisham Farag S-Hail (4 years old), Hassouna Ibrahim Hassouna (9 years old), Ali Farag Abdussalam (12 years old), Fawzia Farag Abdussalam (14 years old), Ali Ibrahim Hassouna, Mohammad Ibrahim Hassouna, Farag Abdussalam Ash-Shaafi, As-Sanousi Az-Zintani, Salih Masoud Bwaiseer, Rajab Solaiman Akasha, Soad Ibrahim Al-Hinghari, Amal Ben-Amir Al-Bakkoush, Milad Abol-Eed, Atia Kalifa Karbaj, As-Sadiq As-Swaie Abol-Qasim, Abdul-Hafeeth Mohammad Ali D-haim, Dr. Nouri Ali Jaafar, Dr. Fatima Al-Mabrouk Abo-Ghaighees, to name only a few of the passengers murdered by jewish terror; and the crew: Jacques Berjes (pilot), Almahdi Younis Ay-Yad (co-pilot), Majda Habeeb (hostess).

1974

February 22. [Jew Samuel J. Byck embarked on a sensationally bizarre scheme to kill President Richard Nixon](#). He murdered a security guard at the Baltimore/Washington airport, stormed into a jet and demanded the pilots take off and follow his orders. His plan was to crash the plane into the White House. Technically unable to accommodate him, Byck murdered the two pilots. Police bullets then smashed through one of the cabin-door windows, wounding Byck. As authorities moved in, he put the revolver to his head and pulled the trigger. Under his body they found a briefcase gasoline bomb.

1974

After various incarnations, William Pierce forms The National Alliance.

1974

Klan leader David Duke is "disinvited" from a follow-up appearance on the Tom Snyder television show, at the request of Jewish groups, after Duke successfully and calmly appears on the show once and persuasively articulates his goal to preserve pro-white European American culture. (The other guests who appeared with Duke, who are Jewish, are allowed to come back). Snyder calls Duke "intelligent" and "charming," which is exactly why the Jews refuse to allow him back. "Trailer trash" one-tooth versions of White racialists are always welcome on talk shows. If it makes racially proud Whites look backward and ridiculous, it's approved; if it makes them look intelligent and charming, it's forbidden. This is an inevitable consequence of Jews owning most media and activist Jews swarming on and pulling advertising dollars from non-Jewish owned media the moment they tolerate the slightest hint of respectable White racialism.

1975

Aitharoun Massacre (Israel/Palestine). Israeli jews perpetrate this massacre starting with a booby-trapped bomb. Then Israeli jews detain three brothers, and kill them. They throw their bodies on the road.

1975

October 15. Kawnin Massacre (Israel/Palestine). An Israeli jew tank deliberately runs over a car carrying 16 people, murdering all of them.

1975

The U.N. General Assembly declares that Zionism is a form of racism, and that it violates a 1965 U.N. anti-racism declaration.

1975

Christmas Eve. Serial killer Jew David Berkowitz, aka ["The Son of Sam"](#) starts his killing spree in New York by stabbing a woman in the back as she leaves a corner store. His murders would continue via a different modus operandi: he liked to shoot women sitting in parked cars or walking home alone at night with his .44 caliber bulldog, often indicating that he believed he was being instructed to do so by demons. This [Jew](#) murdered 6 women before he was caught. He's now (2002) one of the few criminal Jews in prison.

1976

The strange significance of the Oscar-winning movie [*NETWORK*](#) (1976, United Artists/MGM). The very thing that they warn about in the movie (control of the media by ethnic/foreign outsiders) has actually happened, but with the exact opposite persons as the controllers of that media, i.e., Jews instead of Arabs.

1976

Hanin Massacre (Israel/Palestine). After a two-month siege and hours of shelling, the Jewish occupation forces storm the village and murder 20 indigenous Palestinians.

1976

Bint Jbeil Massacre (Israel/Palestine). The crowded market is the target of a sudden barrage of Israeli bombs, murdering 23 and maiming 30 indigenous Palestinian civilians.

1976

Pedophilic nature of Jewish "religious" rituals captured on film. Warning: Disgusting.

- [*Rabbis sucking blood from the newly circumcised baby penis is religious "ritual."*](#)

1977

Britain. "Safe" bands expressing non-specific rage and marketable rebellion, like *The Sex Pistols*, or giving voice to false alternative leftist, pro-communist revolt, like *The Clash*, gained major media attention and were lauded as harbingers of "Punk," a new musical form. Meanwhile, with far less mainstream fanfare, a truly alternative, truly rebellious, highly focused voice of rage emerged: Ian Stuart's now-classic White Power band *Screwdriver*.

1977

Jew Ribicoff Amendment makes it [illegal to boycott Israel](#). Israel, NO! South Africa or anyone else, just fine. During the mid-1970's the United States adopted two laws that seek to counteract the participation of U.S. citizens in other nation's economic boycotts or embargoes. These "antiboycott" laws are the 1977 amendments to the Export Administration Act (EAA) and the Ribicoff Amendment to the 1976 Tax Reform Act (TRA).

1977

Three top U.S. colleges drop now-common Middle Eastern studies programs, after the Jewish AJC complains that the much-needed funding will come from an Arab-owned endowment. "No Arabs controlling ideas in America, just Jews!" say the Jews.

1978

March. Kham Massacre (Israel/Palestine). Following nightly bombardment, Jewish soldiers invade the town and kill whomever they meet. Jews murder 100 Palestinian civilians and completely destroy the town.

1978

William Pierce publishes *The Turner Diaries* under the pen-name Andrew MacDonald. It becomes the best-selling militia revolution novel ever. The press links it to virtually every act of domestic terrorism (that is, domestic terrorism NOT committed by the Jews).

1978

Jews make a television mini-series about their "Holocaust," titled "The Holocaust." Millions watch and weep. (No mention is made of the Bolshevik holocaust, in which far many more millions of Christians were murdered, or why Jews might have been oppressed for centuries and targeted by Hitler in the 20th century, as they were repeatedly through centuries past). The "Holocaust®" (capital H trademarked) functions in two politically advantageous ways for Jewish collectivism. Most obviously, it functions to establish their "victim status," which protects them and Israel from criticism of almost any kind, while demanding billions of dollars in financial and military support from Western nations, in addition to the money they've sued for and been granted as "reparations." Less obviously, and for this reason more dangerously true, horrendous stories of the "unprecedented evil" of the Holocaust® obscure the fact that Hitler's condemnation of the Jews was merely the latest in a historical series of such condemnations. Activists Jews alternately emphasize their "long history of suffering" and the "historical singularity" of the Nazi Holocaust® depending on which position is politically advantageous at the moment. The "long history of suffering" story generates purse-opening pity; the "historical singularity" of the Holocaust® story-it has become the very paradigm of evil in the today's world-dissuades objective scholars from questioning whether Jewish "persecution" may have actually been political "prosecution" for their crimes against their host cultures. It reinforces the idea that Jews are targeted for no good reason, that they are once again victims of blind White hatred. Jewish "suffering," regardless of its historical truth, is today a political trump card, a shameless cultural commodity. One they use again and again, so long as it's "good for the Jews."

1979

After vigorous political pressuring by Jews in America, an official government office dedicated solely to "hunting ex-Nazis" is created at the U.S. Justice Department (called the Office of Special Investigations, or OSI), complete with a separate, taxpayer-funded budget. Strangely, there is still no governmental department to hunt ex-Communists, whose murdered victims number roughly 25 million in Eastern Europe alone. It's not death that matters; it's Jews that matter. Starting to see the pattern?

1979

Israel withdraws from the Sinai but not Gaza or the West Bank. (All territory invaded in the Six Day War -- cf. 1967.)

1979

Jewish hatred: "We walked outside, Ben-Gurion accompanying us. Allon repeated his question, What is to be done with the Palestinian population?" Ben-Gurion waved his hand in a gesture which said 'Drive them out!'" Yitzhak Rabin, leaked censored version of Rabin memoirs, published in the *New York Times*, 23 October 1979.

1980

The Jewish ADL creates "model legislation" banning "paramilitary training," i.e., militias, in the U.S.

They urge (pressure) various states to adopt it. Many do.

Early 1980s

The American Jewish Committee attempts to halt "Anti-Semitic" publications in Japan, by pressuring the Japanese government. You can call the White race "the cancer of human history" (Sontag), but you can't say anything bad about the Jews.

1980s

[Jew Dr. Ruth Westheimer](#), a "Psychosexual Therapist" helped pioneer the field of "Media Psychology" in the 1980s. She was incessantly on the radio and cable TV in the second half of the decade talking about 'good erections,' 'orgasms,' and the maxim "always use a condom" in her clinical, thick Yiddish accent. The real draw of course was the bizarre spectacle of an old Jewess talking about sex as it had never been discussed on TV or radio before. (Her shows were daily conversation in my high school at the time.)

1980s

Jews Michael Milken, Ivan Boesky, Martin Siegel, and Dennis Levine, fleece America. (Gordon Gekko in Jew Oliver Stone's movie *Wall Street* was loosely based on Ivan Boesky.)

1981

Alleged adulterer and child molester Morris Seliman Dees sues the KKK, using legal terrorism to prevent the KKK from resisting Vietnamese fishermen in Galveston Bay, Texas.

1981

Homosexual Jew Barney Frank elected to House of Representatives from Massachusetts' 4th district.

1981

Leftist Jew Jacobo Timerman becomes a worldwide Jewish/leftist hero, after publishing his book *Prisoner Without A Name, Cell Without A Number*, about Timerman being jailed for subversion by right-wing military forces in Argentina; Timerman claims it happened only because he is Jewish, and compares the Argentine government to "Nazis."

1981

The first U.S. "hate crime" law, created, sponsored and pushed by the ADL, is passed in New Jersey. See VNN's excellent series [Killing White Freedom...by Law](#).

1981

June 7. U.S. built Israeli F-15s and F-16s destroy the French-built Osirak light-water [nuclear reactor near Baghdad](#). (Could that be why Iraq bombed Israel with Scud missiles during the Gulf War? And, were those planes really "Israeli" planes? More like "American planes being flown by Jews.")

1982

The Jewish ADL now has "model legislation" for "hate crimes," designed for all U.S. states. Many states adopt this, or very similar laws, at the urging and pressure of the ADL.

1982

At the behest of then Defense Minister (now Prime Minister) Ariel Sharon, Israel invades Lebanon (Lebanon has many Christian-Arab citizens), and Jewish soldiers kill many unarmed Arab women and children at the Sabra and Shatila refugee camps, with machine guns, in front of many witnesses. In all, Jew death squads murder 3,500. Hereafter Ariel Sharon will be known throughout the world as "The Butcher of Beirut." In September 2002, as Israeli Prime Minister Sharon cowboys America into war against Israel's enemy, Iraq, claiming it's the "American and patriotic" thing to do, Alex Linder will dub Sharon the devilishly apt, "John Wayne Gacy-Sharon."

1982

Jewish hatred: "[The Palestinians are] beasts walking on two legs." Menahim Begin, speech to the Knesset, quoted in Amnon Kapeliouk, "Begin and the Beasts." *New Statesman*, 25 June 1982.

1982

Jewish hatred: "When we have settled the land, all the Arabs will be able to do about it will be to scurry around like drugged cockroaches in a bottle." Raphael Eitan, Chief of Staff of the Israeli Defence Forces, *New York Times*, 14 April 1983.

1982

Stanley Rothman and S. Robert Lichter publish *Roots of Radicalism: Jews, Christians and the New Left*. They write (p. 120) that a common technique of cultural subversion "involves an attack upon genuine inequities or irrationalities. Since all societies abound in both, there is never an absence of targets. However, the attack is generally not directed at the particular inequity or irrationality per se. Rather, such inequities or irrationalities are used as a means for achieving a larger purpose: the general weakening of the social order itself." Sound familiar? This technique weakens the social order by causing alienation -- precisely the technique the Jews used in the 1960s and 1970s (cf. Mid-1960s -- Jews lead the radical "counter-culture" and student movements in America) when they were at the epicenter of every single radical movement in America. Their involvement was simply an instinctive technique used to agitate for change they perceived would be "good for Jews." When you disrupt the established social order and displace the "old boys," someone has to fill the slots: in this case, the Jews moved in. This model for cultural subversion can be broadly applied, but is particularly effective in societies comprised of European-derived peoples who value justice and fairness. Once again, the Jews shows their instinctive (and ultimately self destructive) psychology. Their template for cultural criticism and aggressive agitation can (and should) be turned on them now that they constitute a substantial portion of the American elite and can be held accountable for the present American condition.

1983

Jewish hatred: We declare openly that the Arabs have no right to settle on even one centimeter of Eretz Israel... Force is all they do or ever will understand. We shall use the ultimate force until the Palestinians come crawling to us on all fours." Rafael Eitan, Chief of Staff of the Israeli Defense Forces - Gad Becker, *Yediot Ahronot* 13 April 1983, *New York Times*, 14 April 1983.

1983

October. [Israelis had advance notice of the suicide attack that killed 241 American Marines in Beirut in October 1983](#) but withheld the information from the United States in the hope that the attack would poison American Arab relations. Israel would do the same thing just under a decade later, September 11, 2001.

1983

Robert Mathews founds "The Order," named after an elite cadre in *The Turner Diaries*. It's later more formally named *Bruders Schweigen* (Silent Brotherhood).

1984

Jewish hatred: "One million Arabs are not worth a Jewish fingernail." -- Rabbi Yaacov Perrin. *New York Times*, Feb. 28, 1994, p. 1.

1984

"The Order" assassinates Denver liberal jew radio talk show host Alan Berg. (The Oliver Stone movie *Talk Radio* is based on this.) On December 8 of this same year [Robert Mathews is burned alive](#) by Federal agents on Whidbey Island, Washington. Read his last public letter [here](#).

1984

The British Attorney General, Sir H. Shawcross, says in a speech that the "'Americans' around Roosevelt" pushed for war with Germany in WWII. He does not actually say "Jewish," but it is clearly implied, as Roosevelt's key advisors who pushed for war were Jews, especially his pal Brandeis.

1984

Jews take control of the historically-conservative, Gentile-run Walt Disney Co., and quickly use it to spread left-wing, multicultural agitprop aimed at children.

1984

U.S. Navy (civilian) analyst Jew Jonathan Pollard begins spying for Israel, giving Israel thousands of sensitive, classified U.S. government documents.

1984

July 4. After a series of drive-by shootings, bomb attacks, harassment, and violence against employees of the [Institute for Historical Review](#) that spanned the late 70s and early 80s, domestic terrorist jews firebomb and destroy the IHR office and warehouse in southern California.

1985

Jonathan Pollard is caught spying against the U.S.; Pollard later says that he "would do it again, if given the chance."

1985

Arab-American leader Alex Odeh is murdered by a booby-trap bomb at his office in Santa Ana, CA. The 3 Jewish suspects flee to Israel.

1985

Another enemy of the Jewish ADL, Tscherim Soobzokov, is also murdered by a bomb blast, at his home in Paterson, NJ.

1985

Former U.S. Congressman Paul Findley tries to publish [*They Dare to Speak Out*](#), a book detailing Jewish power in America. Jews try to prevent this, but are unsuccessful, although Findley does have a hard time finding a publisher because of threats by Jews.

1985

Gentile media mogul Ted Turner tries to buy an American television network (CBS); Jews panic (as Turner would be the first non-Jew in many years to control an entire network), and they successfully block, after some effort, Turner's attempts to buy it.

1985

In 1985, Pierce relocated the National Alliance from Arlington, Virginia, to a 346-acre farm in Hillsborough, West Virginia, which he reportedly bought for \$95,000 in cash.

1985

Members of "The Order" -- nine men and one woman -- were convicted following a four-month Federal court case in Seattle. They were sentenced to terms of 40-100 years in prison, as well as stiff fines. One of these members, David Lane, coined one of White nationalism's most popular expressions known as "The 14 Words." They are: We must secure the existence of our people and a future for White children.

1985

November. Jew Howard Stern starts work as a radio host at 92.3 WXRK FM in New York City during the afternoon drive. During the coming 17 years (and counting) an increasing number of U.S. cities will be subjected (via syndication) to non-stop talk about strippers, sex, scatological humor, fart noises and discussions about who does and who does not "do anal."

1986

Jew Bill Rubenstein develops the ACLU Lesbian and Gay Rights Project.

1986

Cleveland autoworker John Demjanjuk is falsely accused of WWII war crimes against Jews, and sent to Israel to be tried for being "Ivan The Terrible." He is later acquitted.

1987

Homosexual Congressman Jew Barney Frank 'comes out' to become America's first openly 'gay' congressman.

1988

Jewish hatred: "The Palestinians" would be crushed like grasshoppers ... heads smashed against the boulders and walls." " Israeli Prime Minister in a speech to Jewish settlers. *New York Times* April 1, 1988.

1988

[Fred Leuchter](#) drops a huge bombshell on the myth of Nazi "gas chambers" with *The Complete Leuchter Report* (Court Document, 1988 Trial of Ernst Zündel). Read British Historian David Irving's "Forward to the Leuchter Report" [here](#).

1989

William Pierce publishes his second novel, *Hunter*, again under the name Andrew MacDonald.

1989

[Jewish](#) Senator Frank Lautenberg gets "The Lautenberg Amendment" enacted to assist "thousands of Jews" and "other religious minorities... gain refugee status in the U.S. by requiring that *the historic persecution of the stipulated groups* be taken into consideration when determining whether to grant refugee status" (Union of Councils for Jews in the Former Soviet Union, [October 22, 1998 Press Release](#)). The emphasis on "the historic persecution" was added by the author (VW), as this very *Timeline* calls into question whether Jews have been persecuted at all. All evidence suggests the proper term for the various historical expulsions & pogroms is *prosecution*, punishment for jewish crimes against what I like to characterize as their "benevolent until betrayed" gentile host populations. There is every reason to believe jewish "persecution" is the latest iteration of a tiresome historical swindle. After all, in 1948 jews claimed that "4 million" of the infamous "6 million" were killed at Aushwitz. For over four decades since, jews churned out novels, memoirs, afterschool specials, mainstream movies, PBS documentaries, school curricula, etc etc ALL emphasizing the infamous 6 million. Yet, despite harsh political-media-social pressure against any real inquiry into "The Holocaust" (anything deeper than jewish whining is "hate" or "Holocaust Denial"), even the jews are forced to amend their numbers by 1990...

1989

March. Swiss group releases a [list](#) of hundreds of Arab homes bulldozed/destroyed by the Jews in Israel since 1948.

1990

Auschwitz [plaque](#) reads: "For ever let this place be a cry of despair and a warning to humanity, where the Nazis murdered about one and a half million men, women and children, mainly Jews from various countries of Europe. Auschwitz-Birkenau 1940-1945." (cf. [1948 plaque](#).) Nearly 3 million "persecuted victims" have disappeared, yet somehow the "Sacred Six Million" is still repeated endlessly in the controlled media. It makes one wonder: [WHO RULES AMERICA?](#)

1990

A leading historian Jew admits that the old, constantly-repeated "Nazis-made-soap-from-dead-Jews" story is false.

1990

A Jewish ADL-created-and-sponsored Federal "hate crime" law passes and becomes law. This law

requires that "hate crime" statistics be compiled by the Federal government, instead of by the ADL, which previously did it for solely political reasons. In other words, your tax dollars now pay for it. Interestingly, the FBI's data collection method permits classification of offenders only as White, black, Asian, or American Indian. So: When a Hispanic is attacked for ethnic reasons the crime is recorded as an anti-Hispanic hate crime. However, when a Hispanic commits a hate crime against a person of another race he is classified as a White offender. This, of course, inflates the number of hate crimes attributed to Whites.

1990

Homosexual Congressman Jew Barney Frank admits to having paid Stephen L. Gobie, a male prostitute, for sex, and subsequently hiring Gobie as his personal assistant. House of Representatives reprimands him: <http://politicalgraveyard.com/special/trouble-disgrace.html>

1990

[Israeli Mossad assassinates Canadian astrophysicist Gerald Bull](#) in Brussels, Belgium. Bull was the world's leading expert on long range artillery and had been helping Iraq develop a super gun capable of firing artillery shells 1,700 miles.

1991

July 26. [Jew Paul Reubinfeld](#), better known to millions of kids as Pee Wee Herman, star of Saturday morning TV show *Pee-Wee's Playhouse*, was arrested in a Sarasota, Florida porn theater after "exposing" himself for masturbating in a public place. Shame, shame, Pee Wee.

1991

The U.N., bowing under pressure from Jews, repeals its previous (1975) declaration that Zionism is a form of racism, though by any objective measure it is.

1991

Proving that Jews are a powerful political force, U.S. President George Bush is forced to apologize to the Jewish community after he says that they are a "powerful political force." Why would Jews demand an apology rather than be proud of their power? Because they know their greatest strength is invisibility. Remember: this is approximately 2% of the American population we're talking about. A 2% so powerful they can even demand the President apologize for acknowledging their power. Scary.

1992

August 17. Federal Marshals start the "Siege at Ruby Ridge." The Weaver family was anti-ZOG, so ZOG killed their adolescent boy and shot the mother in the head as she held her baby.

1992

September. Billionaire currency speculator [Jew George Soros](#) initiates a highly leveraged attack against the British pound. Using large margin loans, he sells short 10 billion British Pounds and in one week makes a profit of over one billion dollars. In this process, the British treasury (read: taxpayers) spent hundreds of millions defending (buying) the pound. The pound was devalued in the process and the attack ultimately contributed to breaking up the system of fixed exchange rates (the ERM) governments

were trying to put into place in the European Union. Fixed exchange rates are anathema for speculators because they eliminate the volatility on which speculators profit from. Soros has spent the subsequent years lecturing world leaders on the excesses of unregulated currency flows of which he is the best example. Soros' intellectual hero is (get ready) another Jew: philosopher Karl Popper. Apparently, Popper is where Soros got his concept of the open society from. (Gentile 'open societies' are, it goes without saying, "Good for Jews.")

1992

Liberators: Fighting on Two Fronts in World War II -- a lavishly financed project that claims to tell the story of how [black troops liberated Buchenwald and Dachau](#) -- was exposed as an error-packed [fraud](#) within weeks of its debut. Producers Jew Nina Rosenblum and William Miles collaborated with author Lou Potter, on the slickly promoted project that includes a much-touted "documentary" film, a book, a high school workbook, a screenplay and a theatrical version. However, the facts didn't prevent staunch defenders like Jew Peggy Tishman, a former president of the Jewish Community Relations Council of New York, from shamelessly defending this sham. "Liberators," she said, is "good for the Holocaust... Why would anybody want to exploit the idea that this is a fraud?..." What is important here is not historical accuracy but black-Jewish "dialogue," she explained, and added: "There are a lot of truths that are very necessary. This is [not a truth that's necessary](#)." In others words, when it comes to vital interests of Jews, historical accuracy and certain truths are not necessary. Can anyone say Holyhoax?

1992/1993

Jewish ADL offices in both Los Angeles and San Francisco raided by police, after certain confidential police files are found to be missing; later, the files are found in an ADL operative's possession. He flees to Israel to avoid arrest.

1993

February 26. A bomb explodes at the World Trade Center in New York, killing six people and injuring more than 1,000. Muslim terrorism, we will understand in retrospect, is one of many things America(ns) suffer for the honor of paying the Jews/Israel \$10 million dollars a day.

1993

April 19. The standoff at Waco, Texas, between federal agents and The Branch Davidians ends when the FBI moves in with tear gas and torches the place with men, women and children inside. The documentary *WACO: The Rules of Engagement* offers compelling evidence that the ATF machine-gunned the only exit of the burning building, killing anyone who tried to flee. ZOG is totally out of control, on its way toward full-blown Jewish Bolshevik rule. A must-see film.

1993

June 28. Jew Joel David Rifkin, New York's most prolific serial killer, is spotted by police because his pickup truck is missing a license plate. After leading police on a 90mph chase, Rifkin crashes into a telephone pole. Pulled from his truck, Rifkin is generally unkempt, and has a thick layer of Noxema smeared across his mustache. When the police discover the rotting corpse of a naked woman under a tarp in the bed of the truck they knew why: It's a trick for handling corpses, to avoid their stench, portrayed by Hollywood two years earlier in the Oscar-winning film *Silence of the Lambs*. Read the

whole grizzly story of this murderous jew:

1993

September 13. Israeli Prime Minister Yitzak Rabin and PLO Chairman Yasir Arafat shook hands at the historic peace agreement signing.

1993

October. Bill Buckley, founder of *National Review* [fires Joe Sobran](#), who has written for *National Review* since 1972. The relationship becomes more and more strained after 1986 as Neoconservative Jews Norman Podhoretz and his wife Midge Decter accuse Sobran of "anti-Semitism" because of his (Sobran's) lack of subservience to all things Jewish and Israeli. In Sobran's words, "I couldn't understand what the fuss was about. I'd merely applied conservative principles -- the things National Review stood for -- to Israel: it was a socialist country with no conception of limited, constitutional government, which discriminated against Christians, while betraying its benefactor, the United States, and turning the Muslim world against us. It seemed pretty clear-cut to me, and none of the reasons conservatives gave for supporting Israel made much sense." After the Sobran firing, National Review becomes a de facto neoconservative publication.

1993

December 7. Colin Ferguson, a black man, boards a Long Island Railroad evening rush-hour train filled with White passengers. He then proceeds to walk down the aisle and shoot - at point blank range - innocent people as the train pulls into the next station. 6 were killed and 19 were wounded. As usual, the jewish controlled mainstream press reports this tragedy from a non-racial angle since the perpetrator was black. Not one mention of "racist," "hater" or "hate crime" as it would be if the guilty party were White. Instead, they called him a "madman," a "disturbed man." They blamed it on "black rage" due to so-called institutional White racism. They blamed it on an inanimate object, a gun. But no mention of the real reason behind this act of black racist violence, namely, the innate tendency of a large percentage of black males towards violence and crime. This further heightened by the non-stop propaganda by jewish Hollywood and their brethren in the press that constantly drums into the minds of blacks that they are innocent victims of White racism and oppression.

1993

The United States Holocaust Museum, pushed for by Jews for years, opens in Washington, D.C., built on federal land. (No mention of the other holocausts is made.) Note that this is before a WWII monument has been created.

1993

Filmmaker Jew Steven Spielberg creates the "ultimate" Holocaust movie, *Schindler's List*, another movie designed to create massive guilt in conservative persons worldwide, regarding Jews/persecution.

It works brilliantly, and earns several Oscars. It is the first movie in television history to be allowed to show frontal nudity in prime-time. Of course, as Michael Hoffman II argues, Spielberg is guilty of falsifying the Talmud in the movie.

1993

Screwdriver lead man, Ian Stuart Donaldson (a.k.a. Ian Stuart), dies tragically in a car crash.

1994

Professor [Kevin MacDonald](#) publishes *A People That Shall Dwell Alone: Judaism as a Group Evolutionary Strategy*, the first volume of his landmark trilogy.

1994

February 25th. [Jew Baruch Goldstein](#) entered a mosque in Hebron, West Bank, occupied-Palestine and in cold-blood machine-gunned innocent, un-armed Palestinians at prayer, killing 29 of them and wounding approximately a hundred more before being beaten to death by the worshippers. Some [Jewish groups in both America and Israel have since made the racist mass-murderer a saint, building shrines for him both in America and in Israel](#). Numerous people from all over the world come to pray and honor his memory. This cold-blooded murderer Jew grew up on 81st Street in Brooklyn, NY. His friends say that his father was very strict with him and that he did not want Baruch to play with other Catholic children, out of his Zionist sense that the assimilation of Jews in non-Jewish society is almost a sin. The mother of Baruch Goldstein said she is proud of her son. "I always thought to myself, 'When would someone get up and do such a thing?' Like mother, like son. No need to say what the Jewish media reaction would have been if the roles were reversed in this merciless attack. (Hint: Goldstein would be a "terrorist" and no treatment would be too severe for him and "his kind.")

1994

February 27. Jewish Rabbi Yaacov Perrin says what every Jew thinks: "One million Arabs are not worth a Jewish fingernail." (New York Times, February 28, 1994, p. 1)

1994

March 4. Four Muslim Fundamentalists are found guilty in the World Trade Center bombing in New York.

1994

April 20. Paul Touvier is convicted of war crimes against humanity for ordering the executions of seven Jews during WWII. This is unusual because, as we know, most war crimes cases involve the world's most genocidal regime, the Communist Jews, i.e., crimes committed by not against Jews. (Sadly, I'm kidding.)

1994

January. Singer Dolly Parton tells the truth about Jewish power in Hollywood, in an interview in the women's magazine *Vogue* and was accused of being anti-Semitic. In discussing a proposed TV series about a gospel singer who died, Parton was quoted in *Vogue Magazine* as saying "people in Hollywood

are Jewish. And it's a frightening thing for them to promote Christianity." She is later forced to apologize for her truth-telling.

1994

U.S. President Bill Clinton's cabinet members and top advisors are so heavily Jewish (more than any other administration in U.S. history) that even leftists and Jews are forced to admit it, some in print.

1994

March 21. Nabatiyeh School Bus Massacre. Jews murder 4 and injure 10.

1994

August 5. Deir Al-Zahrani Massacre. Israeli warplanes fire a "vacuum" missile at a two-story building, which is destroyed over the heads of the inhabitants. Jews murder 8 and wound 17.

1995

April 19. A Federal Office Building in Oklahoma City, OK is destroyed by a truck bomb, killing 168 people and injuring many others, making it the single worst act of terrorism against the U.S. in history. Timothy McVeigh and Terry Nichols are arrested in connection with the attack. Timothy McVeigh says it was a strike against a federal government out of control and murdering citizens, a la Waco and Ruby Ridge. Though smeared a racist by the media, Timothy McVeigh was not a White nationalist. He saw the symptoms but did not understand or know how to articulate the Jewish disease. (Though *The Turner Diaries* was one of his favorite books, so perhaps his anti-semitism was played down by the media for strategic reasons?)

1995

Jewish hatred excused with the "Holocaust" card: "We did not know what to do with them [surrendered Egyptian POWs in 1956]. There was no choice but to kill them. This is not such a big deal if you take into consideration that I slept well after having escaped the crematories of Auschwitz." Retired Israeli brigadier general Arieh Biro, *The New York Times*, August 21, 1995, page A5.

1996

Jews have led the movement in America to ban privately-owned firearms. Article I, Section 9 of the U.S. Constitution says: "No bill of attainder or ex post facto Law shall be passed." Pretty plain, huh? No law passed after-the-fact. But the 1996 Lautenberg Domestic Confiscation gun law, from Jewish Senator Frank Lautenberg [D-NJ], says that anyone who has ever been convicted of misdemeanor domestic violence cannot own a gun, even if the act occurred 30 years ago. That's right -- the gun ban is retroactive. Ex post facto. Jews also sponsored the earlier 1994 Brady gun law: Senator Howard Metzenbaum and then-Congressman Charles Schumer. The leading gun-banners in Congress are jews: Barbara Boxer, Dianne Feinstein, etc. Gun control in America is Jewish-by-race.

1996

Actor Marlon Brando tells the truth about Jewish power in Hollywood, on the "Larry King" TV show. He is later forced to apologize for his truth-telling.

1996

"By the early 1960s, the large numbers of Jews in sociology led to a faculty-club banter to the effect that sociology had become a Jewish discipline. In the literary world the triumph of Norman Mailer, Saul Bellow, and J.D. Salinger led Leslie Fiedler to hail the great takeovers by Jewish-American writers of a task 'inherited from certain Gentile predecessors.'"

1996

January 30. Defense Memo Warned of Israeli Spying in U.S.: "A Defense Department security office issued a confidential warning to many military contractors in October that *the Israeli government was "aggressively" trying to steal U.S. military and intelligence secrets*, partly by using its "strong ethnic ties" to the United States to recruit spies. The warning which described Israel as a "non-traditional adversary" in the world of espionage, was circulated by the Defense Investigative Service with a memo noting similar intelligence "threats" from other close U.S. allies. The warning about Israel was canceled and withdrawn by the Pentagon in December after senior officials decided that its author had improperly singled out Jewish "ethnicity" as a specific counterintelligence concern [i.e., not because it was wrong, but because it was politically incorrect and would cause jews to whine, and sue and scream Anti-Semitism]. The warning nonetheless provoked a vigorous protest yesterday by the [Jewish Supremacist and criminal organization] Anti-Defamation League of B'nai B'rith, a prominent Jewish organization which made the matter public and called on the Pentagon to conduct an internal investigation. "This is a distressing charge which impugns American Jews and borders on anti-Semitism," said ADL Director Abraham H. Foxman in a letter to Defense Secretary William J. Perry. The government's memo, and the ADL's angry reaction to it, highlight a particularly delicate issue for the Defense Department. Many military counterintelligence officials remain scarred by the 1985 revelation that Navy intelligence analyst [Jew] Jonathan Jay Pollard stole what the memo refers to as "vast quantities of classified information" ...(The Washington Post, page 1, R. Jeffrey Smith, Washington Post Staff Writer)

1996

April 12. The Sohmor Massacre. Israeli jews target a civilian car carrying 8 passengers, killing all of them.

1996

April 13. The Mansouri Massacre. An Apache helicopter targeted an Ambulance carrying several children killing 6 and wounding 7.

1996

April 18. The Nabatieh Massacre. Israeli warplanes fire a missile at a house and destroy it over the heads of the inhabitants, killing 9 and injuring 7.

1996

April 18. The Qana Massacre. Israeli jews perpetrate a horrible massacre against hundreds of citizens taking shelter in the UNIFIL headquarters because of fear of shelling. Jews murder 106, all burned beyond recognition. Another 110 are maimed or injured.

1996/1997

Two separate Jews, Ben Stein and Michael Medved, admit Jewish control of Hollywood, in print, bolstering actor Marlon Brando's claims. Stein's book [*The View from Sunset Boulevard: America As Brought to You by the People Who Make Television*](#) is a staggeringly frank description of the Jew-dominated anti-White American agenda forwarded via mass media.

September 25. Amman, Jordan -- Attempted Mossad assassination of Arab activist Khaled Mashaal by poison gas. [Jewish agents carrying Canadian passports](#) spray a poisonous gas into Mashaal's ear. Two hours after the assault, Mashaal began to feel drowsy and felt what he described as a ringing in [his] left ear and shivers running through [his] body. Nausea followed, then breathing difficulties, and he was taken to hospital, unconscious, breathing through a respirator and running a temperature of 102 that did not respond to any treatment. Jordan's King Hussein warned Benjamin Netanyahu that if Mashaal died, the two captured Israeli agents would be tried in public and hanged, and that Jordan would sever diplomatic relations with Israel. Netanyahu refused to help. The king then called President Clinton,

urging him to pressure Netanyahu for the antidote. After a call from Clinton, Netanyahu relented, and a Mossad official administered the antidote, saving Mashaal's life.

Five New York Hasidic Jews indicted for [massive theft](#) of government funds on charges that they systematically [defrauded](#) the federal and state governments of tens of millions of dollars in student loans, business assistance and housing subsidies. As one might expect, these Jews didn't get the punishment they deserved; they were subsequently pardoned by the shameless Bill Clinton in exchange for votes for his wife's senatorial campaign in New York.

Powerful Jews, including U.S. Secretary of State Madeleine Albright and billionaire Jew Edgar Bronfman, pressure Switzerland to pay millions of dollars to "Holocaust" survivors, even though any Swiss involvement in that event was minimal. Cohen reveals that Jew Arnold Rothstein was the founding father of American organized crime, not Italian mobsters, as is commonly believed. Jews turned crime into business and built a network of crimes: gambling, prostitution, smuggling, extortion and protection money. They also were the very first drug dealers in America. It goes without saying had a Gentile written this book he would've been instantly smeared as an anti-semite. Immediate pressure would have been put on the publisher to cease further printing. In addition, a full-scale effort would have been launched to pressure book retailers to remove it from their shelves.

*The press spokesman for the secretary of state, leading the verbal attacks on Serbia, is the Jew James Rubin.

*U.S. Senator [Jew Arlen Specter](#) introduced Resolution 12 to bomb Serbia.

*U.S. ambassador for war crimes(!) is the Jew David Scheffer. His bizarre excuse for NATO murdering civilians in Serbia and the Serb province of Kosovo, is that the Serbs are to blame for putting the civilians in the way of the NATO bombs.

January 23, 1999. American Jewish leaders have accused the Rev. Jerry Falwell, one of Israel's most vocal Christian supporters, of inciting antisemitism by his assertion that the Antichrist will be a Jewish male who is probably "alive somewhere today." The Lynchburg, Va.-based evangelist told a group of pastors in Kingsport, Tenn., last week that the Antichrist--a New Testament figure who will spread untold evil at the end of time--"will be a full-grown counterfeit of Christ. Of course, he'll be Jewish." "We deplore the equation of an ultimate figure of evil with a Jewish individual, especially when made by an individual as prominent as Rev. Falwell is on the religious right," B'nai B'rith International President Richard D. Heideman said in a statement... (By Caryle Murphy, Washington Post Staff Writer)

April 20th - Littleton, Colorado. Columbine High School massacre. Thirteen dead, twenty-five injured. Dylan Klebold, one of the two cold-blooded murderers and instigator behind this horror, was initially identified in news reports as a neo-Nazi. The media wasted no time in demonizing the "far right" and guns. When it was later discovered that [Klebold in reality was jewish](#), a descendant of the late Leo Yassenoff, a wealthy real estate developer from Ohio, these reports instantly stopped. It came as no surprise that the media failed to make the necessary correction. Further investigation into the background of this killer jew revealed that Klebold was also a homosexual and an anarchist - two groups whose ranks have had traditional jewish over-representation.

June. Thirteen Jews from the southern Iranian city of Shiraz are arrested and charged with spying. The Iranian government charges them with supplying Israel with intelligence relating to Iran's military capabilities and assets dating back fifteen years to the early years of the Iran-Iraq war. Immediately, the U.S. and Israel claim the Jews are innocent and demand their release. How the U.S. government could be so sure that the accused spies hadn't been acting as charged was unclear, as Israel's statements to the contrary certainly couldn't be credible. Both the U.S. and Israel assert the Iranian claims are bogus and grounded in anti-Semitism. However, the subsequent trial was closed to protect Iran's national security and to prevent the majority Muslim population from turning against Shiraz's 6,000 Jews. If the purpose of the charges was to inflame anti-Semitism in Iran, then the government would have desired a public spectacle and would not have later dropped charges against three of the Jews. It should be noted that the U.S. and Western European governments made more of a fuss about espionage charges brought against 13 Jews than they have made regarding the systematic, government-sanctioned killing of thousands of White farmers in Zimbabwe and South Africa.

Fall 1999/2000

John Rocker, relief pitcher for the Atlanta Braves baseball team, gets into trouble for telling the truth about minorities and homosexuals in a "Sports Illustrated" magazine article. Black Hall of Fame player Hank Aaron, a vice president of the Braves, says he would strongly consider getting rid of Rocker for his remarks. Jew Bud Selig, commissioner of Major League Baseball, orders Rocker to be tested by a psychologist. Selig then suspends Rocker until May 1, 2000, saying his racial and ethnic remarks "offended practically every element of society." Selig also imposes a \$20,000 fine and orders Rocker to undergo sensitivity training, even though Jews, as a people, invented racism. Upshot? Let Blacks and Jews rise to the top, and your White country will pay dearly for it later. Cf. ["Rocker's Lesson in Political Correctness,"](#) in which John M. Curtis discusses how Jimmy "The Greek" Snyder, Al Campanis, and John Rocker were fired and/or publicly denounced, and forced to apologize for mentioning obvious racial truths. In America today, contradicting the egalitarian lie -- as with questioning the "formal" Jew-approved/proliferated Holocaust® lie in Europe and Canada -- is a crime for which ["the truth is no defense."](#)

Late 1990s through 2002 and ongoing

Jews continue their assault on America's education standards. [Jew Richard Atkinson](#), the president of the University of California, is one of the leaders in the anti-SAT (Student Aptitude Test) movement. Atkinson is the Jew who pushed for eliminating the SAT 1 test and for changing admission [requirements](#) so that non-White people with sad stories get admitted over those with intelligence. Of course the Jew Atkinson frames his anti-White attack on merit-based equal opportunity education to look like it is a purely rational attempt to deal with naturally changing demographics. Jew Atkinson doesn't say "the growing number of low IQ blacks and mexicans thinking they have any business in college is the result of A) Jews opening America's borders in 1965 at the same time B) Jews forced integration on White America by law. Instead of addressing the real problem with real solutions, he says the question is "how to square the demanding academic standards of a selective public university with its democratic mission to serve all citizens -- to honor both the ideal of merit, and the ideal of broad educational opportunity." This sentence is [telling](#): **"Particularly in a state like California, where Whites are now just another minority and where, in another generation, Hispanics will become an absolute majority..."** In other words, where Whites are the majority non-Whites deserve special treatment as minorities; where Whites are the minority non-Whites deserve special treatment because Whites are "just another minority." That's

the heart of the Jews' "diversity" double-standard in a nutshell. It is indeed nutz. More of the anti-White hatred here: "Though California voters banned racial preferences in college admissions to state schools in 1996, university administrators have been trying to come up with a way to boost their minority admissions. Now, University of California administrators think they've found a solution: Give extra points to students who've survived some special hardship. The idea is that **black** and **Hispanic** applicants will be more likely to have overcome poverty, discrimination..." ([Linda Chavez](#), president of the Center for Equal Opportunity). In other words, we'll find ways to circumvent the law to discriminate against Whites, even when Whites are the minority. Today the SAT, tomorrow the [ANC](#).

Lee Alcorn, NAACP head negro in charge in Dallas, responds to ultra orthodox zionist selection of jew Lieberman as Dem. VP candidate with: "I'm concerned about, you know, any kind of Jewish candidate, you know, and I'm concerned about the Democratic Party. I'm sick of the Democratic Party taking the African-American vote for granted... If we get a Jew person, then what I'm wondering is, I mean, what is this movement for, you know?... I think we need to be very suspicious of any kind of partnerships between the Jews at that kind of level because we know that their interest primarily has to do with, you know, money and these kinds of things." NAACP, which was founded by and continues to be bankrolled by subversive jewish interests, fires Alcorn for telling the truth. <http://www.dvjc.org/discussion/messages/358.html>

Jews in the forefront for [more gun control laws](#). According to Jew J. J. Goldberg, in his book "Jewish Power," 1996, Chapter 10, "Chosen People: Jews and the Ballot Box," all of the big anti-gun activists in Congress have been Jewish, from the old guard (the infamous Howard Metzenbaum) to the new breed (Charles Schumer, Dianne Feinstein, Barbara Boxer, Frank Lautenberg). Note that these people do not merely support gun control, they lead the movement in Congress to ban guns. Also of note is this, from the July 17, 2000 issue of "The New American" magazine. On page 16 of that issue, a Jew named Hillel Goldstein, in an article entitled "I Am Alive, No Thanks To Gun Control," candidly admits that gun ownership is "extremely unpopular" in the Jewish community. Not simply "unpopular," but "extremely" so.

Orthodox Senator Jew Joe Lieberman comes VERY close to being the next U.S. Vice-President. Orthodox Judaism is known for its blatant bigotry/hostility towards Christians. E.g., Lieberman refers to Al Gore as his "Shabbos [goy](#)." How could a Jew hostile to the majority of America almost become President? Problem is, most people DON'T KNOW how bigoted and hostile Judaism is. It's not taught in schools and it's not shown in the mass media. Where it is found is in books (principle texts of Judaism, etc) and on many of those websites the Jews want to censor. Think they want to censor anything for YOUR benefit? Puh-leassssse.

September 28. Jews killed the Oslo Accords. "Generals Barak and Sharon deliberately killed off Oslo on 28 September 2000 when they knowingly instigated the Al Aqsa Intifada by desecrating the Haram-Al-Sharif. When Barak could not compel President Arafat into permanently accepting the Oslo Agreement as the "final solution" for the Palestinian People at the Camp David II negotiations in July, he and Sharon decided to revert to inflicting raw, naked, brutal force that would culminate in the planned

reimposition of Israel's outright military occupation upon the West Bank. All of the subsequent violence between Israelis and Palestinians is directly attributable to this malicious decision undertaken jointly by Barak ("Labor") and Sharon ("Likud") with the full acquiescence of the United States government (under both Clinton and Bush Jr.) every step of the way." Chairman of the Federal System, Jew Alan Greenspan, presides over the destruction of \$8 trillion of market capitalization, largely at the expense of white pensioners. S&P off 46% from high, NASDAQ 77% (Sept. '02). All rate cuts accomplish is to get more whites to pile more debt onto their homes so jew junk lenders can foreclose. April 19. Cincinnati Blacks Riot. (Jump to April 19, 2002 to see "Cincinnati Blacks Riot - Again." Article on both events available there.) It's important to understand that Blacks rioting is the symptom, Jewish social-engineering is the disease: The Jewish-led [civil-rights movement in America](#) emboldened Blacks to the point that they no longer fear, or feel subservient to, Whites as a group. It led to Blacks having an irrational but media-stoked desire for revenge against Whites as their "oppressors," a feeling that Whites now owe Blacks financially and otherwise, now that Blacks are "equal." This feature applies to all Black- and minority-committed crime in America since the early 1960s.

Jewish supremacism: "There is a huge gap between us (Jews) and our enemies -not just in ability but in morality, culture, sanctity of life, and conscience. They are our neighbors here, but it seems as if at a distance of a few hundred meters away, there are people who do not belong to our continent, to our world, but actually belong to a different galaxy." September 11. Two jumbo jets full of passengers are hijacked and crashed into the two World Trade Centers in New York City; both building collapse, killing thousands. Another jet crashes into the Pentagon; a fourth jet, presumably headed for Camp David, crashes in a field, far short of its target. Videotape message from Osama Bin Laden states unequivocally that the U.S. is targeted by Arab terrorists for its unilateral support of Israel and Israeli occupation of Palestine; after the initial airing, the tape is buried by media and government alike supposedly because it "could contain secret instructions to terrorists." The media then repeatedly air various commentators, including Former Prime Minister of Israel Benjamin Netanyahu, asserting, "Israel is hated for its allegiance to America, not the other way around." This explicit lie rules the day.

September 27. Story surfaces that [officials at Israel-based instant-messaging firm Odigo confirmed that two employees received text messages warning of an attack on the World Trade Center](#) two hours before terrorists crashed planes into the New York landmarks (Brian McWilliams, Newsbytes). October 10. Two Jewish terrorists are arrested inside the Mexican Congress in Mexico City. Both were

pretending to be press photographers and were armed with 9mm automatics and one was carrying a hand grenade, electrical wiring and other bomb related materials. Saur Ben Zvi, age 27, is a citizen of Israel and the other, Salvador Guersson Smecke, age 34, recently immigrated to Mexico from Israel. It was determined by the Mexican Department of Justice that Guersson is a retired Colonel of the Israeli Defense Forces and that he may now be operating as a MOSSAD agent. It's very clear that an act of terrorism against the Mexican Congress was planned in order to "terrorize" Mexico into toeing the line against Islam. The initial arrests inside the Mexican Congress make top news on Mexico City television and radio on the evening of October 10th. Yet no major U.S. media makes any mention of this story. Predictably, justice does not prevail and these two jewish terrorists are shortly released following very high level emergency meetings between Mexican Secretary of Foreign Relations jew Jorge Gutman, General Macedo de la Concha, and a top Ariel Sharon envoy.

December 11. On December 11, Fox News ran the first of a four-part series by Carl Cameron that offered yet more evidence that the Israelis had some rather specific foreknowledge of the 9/11 atrocity. Citing sources in law enforcement, Cameron dropped a bombshell: "A handful of active Israeli military were among those detained, according to investigators, who say some of the detainees also failed polygraph questions when asked about alleged surveillance activities against and in the United States. There is no indication that the Israelis were involved in the 9-11 attacks, but investigators suspect that they [sic] Israelis may have gathered intelligence about the attacks in advance, and not shared it. A highly placed investigator said there are - quote - 'tie-ins.' But when asked for details, he flatly refused to describe them, saying, - quote - 'evidence linking these Israelis to 9-11 is classified. I cannot tell you about evidence that has been gathered. It's classified information.' What Goldberg does -- and I stress this is a high-level Jew in the American media -- is to portray himself as a victim of hegemonic liberal bias in the media. And who victimizes him? Chiefly the three goy male broadcasters: Dan Rather, Peter Jennings, and Tom Brokaw. As if these three talking heads have forged the pathological "liberalism" we've seen in the past half century. Amazing. Blame the white guys for the sickness of the jews' liberalism. As Fox reporter Carl Cameron wrote in his four-part series on the Israeli spies in America and its implications for 9/11: "The biggest story of our time, of Israel spying on all branches of the government, on all our intelligence agencies - in the CIA [Central Intelligence Agency], the DEA and the White House itself, is not picked up by the leading newspapers like the *New York Times* and the *Washington Post*."

Ms. Dryden's smug arrogance in dismissing serious charges as "urban myth" may have backfired. Denigrating your opponent when he has the goods on you is not a smart strategy. As long as U.S. and

Israeli officials continue to lie straight-faced, while gullible journalists look to find a reason to believe government lies, Intelligence Online is threatening to publish the leaked DEA report in its entirety: "It seems irresponsible for us to publish it, but if the denials go on, we could put the report on our Internet site and in so doing possibly blacken the names of the people most exposed,' the editor of the Intelligence Online site, Guillaume Dasquié, said. ... 'The document we have in our possession details not only the identities of the members of this network, but also their activities in the Israeli army, and even their serial numbers in the intelligence services, their passport numbers and their validity, and their visas and their validity.'" March 10. Hal Turner reports, News Breaks: Congress Trying To Sneak-Through Amnesty For Illegal Aliens

Vote set for this Tuesday, March 12.

The House GOP leadership has caved to the White House and set a vote for the Section 245(i) amnesty next Tuesday. Please use the toll-free numbers to call your Congress-traitors and tell them to vote NO !! U.S. Congressional Switchboard Toll-free Numbers are 1-800-648-3516 or 1-877-762-8762

Section 245(i) -- the mini amnesty

www.numbersusa.com/hottopic/index.html

BACKGROUND

The White House at this moment is working all the levers of power to maneuver the Section 245i mini-amnesty through Congress before President Bush goes to Mexico on March 22. This would significantly increase permanent U.S. population growth by creating a new wave of amnesty for hundreds of thousands of illegal aliens and the enticement of millions more to move here. It appears that the President apparently is willing to expend all the political capital necessary to have this amnesty in the form of a reinstatement of Section 245(i).

Section 245i allows illegal aliens who are on a waiting list to some year receive a green card as a relative or imported worker to pay a fine and be allowed to stay in this country legally until their turn arrives on the list. Why have a list, if you are going to allow anybody who jumps the line and comes here illegally to stay anyway?

Section 245i is a security risk because:

1. It allows hundreds of thousands of illegal aliens to stay permanently without going through face-to-face interviews in our embassies in their own countries, cultures and languages.
2. It allows people to remain here for years -- 20-30 years in some cases - as something just above an illegal alien until their name comes up on a waiting list for green cards.
3. It entices millions more foreign nationals to enter the country without screening to be illegal aliens

here in hopes that they also will be rewarded for their lawbreaking.

And all of that shows how a Section 245 amnesty boosts U.S. population growth.

It's just six months since Sept. 11, but that's enough time for the vocabulary of one of the country's most frightening days to become slang for teenagers of all backgrounds, comic relief in school hallways and hangouts. "It's like 'Osama Yo Mama' as an insult," offered Morgan Hubbard, 17, a senior at Quince Orchard High School in Gaithersburg, where students have picked up on the phrase from an Internet game. "LONDON - A wave of anti-Jewish attacks - ranging from hate mail and graffiti to stonings, shotgun blasts, gasoline bombs and synagogue bombings - has swept Europe from Britain to Ukraine as the conflict between Israelis and Palestinians worsens in the Middle East. In recent days, one synagogue in Marseille, France, has been doused in gasoline and burned to the ground; another in Lyon, France, was damaged in a car attack; a third, in Brussels, was firebombed; and a fourth, in Kiev, was attacked by 50 youths chanting, "Kill the Jews," who then beat up a rabbi. An unidentified assailant hurled a stone through the window of another synagogue in southern Ukraine yesterday. In Britain, which takes pride in a "multicultural" society, police have logged at least 15 anti-Jewish episodes this month, including eight physical assaults, synagogues daubed with racist slogans and hate mail sent to prominent figures among the nation's 300,000 Jews...But it is in France, where some 700,000 Jews and 4 million Muslims uneasily coexist, that the problem is particularly acute. May 10. Jews in Israel traffic in illegal human organs, most of which are harvested from Palestinian victims and other goyim near to hand (e.g., "The family of Alastair Sinclair, a Scottish tourist who hanged himself in an Israeli jail, was forced to bring suit for the return of missing body parts." — Jonathan Rosenblum). Once again jews reveal themselves to be guilty of the monstrosities their media projects onto others, in this case the evil Nazi "Angel of Death." Read Israel Asper's letter "They left their hearts in Tel Aviv" and see much of the gruesome evidence for yourself. May 23. "Church bombing trial: The final verdict"

Bobby Frank Cherry is guilty of murdering four black girls by bombing Sixteenth Street Baptist Church, a Jefferson County jury decided Wednesday. Cherry was the last living suspect in the 1963 explosion that made Birmingham an embodiment of violent opposition to integration. The jury's foreman delivered the verdict shortly after 1:30 p.m. and Circuit Judge James Garrett asked Cherry, 71, whether he had anything to say. "This whole bunch lied all the way through this thing," Cherry said. "I told the truth. I don't know why I'm going to jail for nothing." Garrett sentenced Cherry to consecutive life sentences on four counts of first-degree murder for the deaths.

The federal appeals court, however, declared that reciting the Pledge of Allegiance in public schools is unconstitutional because of the words "under God" inserted by Congress in 1954. August 25. Jews loot Palestinian homes. An investigative report finds that Jew soldiers looted from Palestinians homes -- literally robbing Palestinians at machine-gun-point, and conspiring to do so with commanding officers and squad leaders -- far more than was originally thought. "[A] recently discharged [Jewish] soldier interviewed under an assumed name, told the station that troops stole widely from Palestinian homes....'During each search, the head of the family was meant to accompany the soldiers to every room. What we would do is take the man to one room as the soldiers searched other rooms, and they would pocket things while out of his sight,' he said." September 3. The ongoing Jewish extortion racket hits [Macedonia](#), showering Jews in land and riches for their suffering at the hands of Nazis and -- get this -- COMMUNISTS! I.e., Jews create tyrannical, murderous political oppression machines and then force the world to pay them for it. Over 20 million Christians died at the hands of Jewish Bolsheviks in the Jewish revolution in the Russia. When do Jews start coughing up land and money to we Christians?

2002

September 4. [Jew argues for 'abolishing' white race](#). Jew Noel Ignatiev, a founder of a journal called *Race Traitor* and a fellow at Harvard's W.E.B. DuBois Institute, a leading black-studies department, argues in the current issue of Harvard Magazine that "abolishing the white race" is "so desirable that some may find it hard to believe" that anyone other than "committed white supremacists" would oppose it. The Motto of Jew Ignatiev's journal and website is "Treason to whiteness is loyalty to humanity." The truth, which apparently Jew Ignatiev is genetically predisposed to avoid, is "Treason to whiteness is loyalty to Jewish supremacism." A portion of the [funding for his genocidal propaganda](#) has been provided by billionaire international financier Jew George Soros. Consider this: Jews have cultural and

racial consciousness. Israel is the [Jewish homeland](#), and Israelis seem determined to [keep it that way](#). Can anyone imagine a gentile at an Israeli university founding a magazine devoted to abolishing the Jewish race? One standard for Jews, another for the rest of us.

Thus, Jews prove once again that everywhere and always *they are Jews* with allegiance only to each other - the most racist, nationalistic, ethnocentric people on Earth. If a Jew robs a White, it's a robbery. If a White robs a Jew ("an offense committed against his property"), it's a robbery *and* "Anti-Semitism." Special rules for God's Special pets.

September 22. Jews swindle for a second round of Holocaust reparations from Switzerland, then cry when Swiss nationalist billionaire Christoph Blocher dares to call them on it. The swindle in a nutshell: Jewish organizations roiled Switzerland with allegations that it profitted at the expense of jewish "Holocaust victims" during WWII, so in 1997 the Swiss government proposed a "solidarity fund" which would pay jews reparations to shut them up. Later, Swiss banks reached a \$1.25 billion reparations settlement with "Holocaust victims" and their heirs. Though already compensated via the settlement, jews still expect the Swiss to move forward with the fund. It "is a product of the blackmailing of our country by Jewish circles in the United States," said Blocher.

October 1. The Jewish assault on White America trudges forward as a small, family-owned burger grill becomes the first business to be sued by the (zionist occupied) federal government for not allowing "Native Americans" to speak Navajo at work. Meanwhile, two Phoenix employers also are being sued by the EEOC for refusing to allow a Muslim worker to cover her head and for denying another worker time to pray. "On one side of the language suit are four Native American women who say the "English-only" work rule evoked memories of government efforts to eradicate their language. On the other is a mom-and-pop restaurant, which claims it used the EEOC's own guidelines to establish a conflict-free workplace." Leaving whites aside for a moment, imagine how much better life would have been for blacks in America if Jews had not tikkun'd with them for the last century. One need only see the massive dissolution of black family structure, and the massive increase in all forms of violent crime, from the early 1900s to today, to see that the chip Jews put on the black shoulder is a leaden weight, pulling them straight to the bottom of the ocean...just like that scene in Jew Spielberg's *Amistad*.

November 27. As Jews drive America into a war with Israel's enemies, Jews work to systematically divert American attention from Jews and Israel. The Israel Project, a group funded by American Jewish organizations, sent a six-page memo to pro-Israel urging them to keep quiet while the Bush administration pursues a possible war with Iraq. "Let American politicians fight it out on the floor of Congress and in the media," the memo said. "Let the nations of the world argue in front of the U.N. 2002

December 8. Jews killed Christ...then Christmas. If ever there was bald, naked proof that multiculturalism is merely an attack on White culture and nothing more, this is it. Michigan schools are abandoning holiday songs that have Christmas themes, because minorities/Jews might be offended. But, White kids have to sing Kwanzaa songs. We guess only non-Whites can become offended by a song. Quotes here, from [Lansing State Journal, Michigan, 12-8-02](#): "[Schoolchildren] also will sing a song about Kwanzaa, an African-American celebration during the holiday season." And later: "For instance, 'Silent Night' might make a Muslim or Jewish student feel uncomfortable, Wagenheim said. 'You're asking a child who may not believe in Christianity to sing a song about Christianity,' she said." Multiculturalism has nothing to do with "sensitivity" toward non-Whites. And who has led multiculturalism vis-a-vis Christmas in America? Henry Ford, Sr., the great automaker and "anti-Semite," noted that as early as 1899, Jews were trying to ban Christmas themes from American schools [1]. Looks as though they have succeeded now. The United States INS -- which studiously ignores and/or protects Mexican, black, Arab illegal invaders -- is pushing the deportation of this White scholar because Zundel's return to Germany may subject him to a jail sentence of up to five years -- *for writing*. Specifically, for challenging elements of the packaged history of World War Two. Per Ingrid Rimland Zundel, Ernst's wife, "We are here legally... We are not hiding. We are not doing anything wrong," she said. Her husband has a work permit, a Social Security number and driver's license; "we just happen to be politically incorrect," she said. Now he is in jail "with criminals and crazies," he said. "It is beyond belief." "...We are decent people. We don't need to be taken away in handcuffs like wetbacks coming across the border." Indeed.

The Belgium court's approval of possible war crimes charges against Ariel Sharon is a "modern blood libel" and requires Jewish retaliation against the Belgians, a "cynical" nation of "bigots." March 26. *Russia rules textbook critical of Jews is legal*. Of course only after Jews whined the issue all the way into court. Jews demand every culture, orthodox or otherwise, deform itself to suit Jews. Meanwhile Jews screech "anti-Semitism" the moment anyone dares to point out the fact that Orthodox Judaism is the most hateful, racial supremacist doctrine the world has ever seen. Three cheers to Russia for standing its ground to defend its culture. The offending material in the book? From the article: "*The book, endorsed by the Education Ministry and the Russian Orthodox Church for use in public schools, says the Jews forced Pontius Pilate to crucify Jesus because "they thought only about power over other peoples and earthly wealth.... In addition to attacking Jews, the textbook accuses Russia's non-Orthodox "guests" of "not always behaving nobly in the traditionally Orthodox state."* Note how a statement of religious/historical fact is deemed "attacking Jews" by the Jewish paper reporting it. The latter accusation, if anything, is guilty of being too generous to Russian Jews, unless overthrowing the country and murdering millions and millions of native Christians in gulags -- and more generally attacking and eroding *all* host nations who've welcomed them -- may be properly characterized as acting "less than noble."

While Leftist opposition to the war on Iraq was grounded in the shallow and jew-safe notion that it was a war for oil waged by evil white men, rather than a war for Israel planned and instigated by traitorous "neoconservative" jews, the Left was half right: The war on Iraq was partly about stealing oil - OIL FOR JEWS! "*With Baghdad effectively in American hands, Israel and Jordan are testing the*

political waters to see whether the Haifa-Mosul pipeline could once again pump oil from Iraq to Israel's major port city... The passage of oil from Iraq to Israel through already existing infrastructure could 'transform Haifa into a new Rotterdam,' said Paritsky. April 26. Israeli Prime Minister Ariel Sharon recruits U.S. mercenaries against Syria. "Even before the 'victory' in Iraq had been declared, Administration officials began leveling accusations at Syria that sounded strangely familiar, something like a regurgitation of the lies that had propelled our forces into [Iraq]. Predictably, that series of accusations was followed by Sharon's demands of its mercenary forces, the U.S. military, that they undertake five goals desired by Israel. These demands represent the next step in Israel's fulfillment of the Jew Wolfowitz/ Jew Perle design to achieve "The New Strategy for Securing the Realm," the report they prepared for the Israeli right wing Likud party in 1996. Ha'aretz listed Sharon's demands in its April 16th edition, demands uttered only two days earlier by Israeli Defense Minister Shaul Mofaz: 1. The removal and dismantling of Palestinian terrorist organizations operating out of Damascus - Hamas and Islamic Jihad; 2. The ouster of Iranian Revolutionary Guards from Lebanon's Bekaa Valley; 3. An end to Syrian cooperation with Iran, including attempts to transfer arms to the Palestinian Authority and incite Israeli Arabs; 4. The deployment of the Lebanese Army along Lebanon's border with Israel and the ouster of Hezbollah from the area; and 5. The dismantling of the surface-to-surface missile network that Israel charges Hezbollah has built in Southern Lebanon. Sharon added that President Pashar Assad "is dangerous. His judgment is impaired." Like Saddam, Israel and America are confronted once again with a dangerous threat in the form of a dictator. Obviously, Sharon has no qualms about making such demands; he has already made it known to his Cabinet and to the Israeli public via radio that Jews run the U.S. and we here in America know it."

"It has to follow through. We still have great threats of that magnitude coming from Syria, coming from Iran," he told a conference of the pro-Israeli Anti-Defamation League."

September 3. As jews build a wall to keep Palestinians out of Israel, "Jews Want Open Doors For Refugees" -- IN THE UNITED STATES, NOT ISRAEL!

As it becomes even more difficult for foreigners to enter a United States wary of terrorism, several Jewish groups are urging immigration authorities to relax rules for asylum seekers. A coalition of 15 Jewish groups is raising a red flag about the practice of turning away asylum seekers who have used false documents. They argue that refugees fleeing persecution in their home countries are being denied the right to "due process" when they come to the United States. The groups, including the Hebrew Immigrant Aid Society, the American Jewish Committee and the Anti-Defamation League, have identified 200 cases in which asylum seekers were arrested before their claims were

processed. In some cases, the refugees were carrying fake passports.

September 7. Jewish Bolshevism (sometimes referred to as "Zionazism" by presumably well-meaning folks who either naively or inadvertantly perpetuate anti-White Jewish memes while they protest actual, hateful Jewish actions) flexes its freedom-hating muscles in the U.S.A. "The message of the posters on the walls of Skokie library is plain: Big Brother is watching you. The signs, put up by librarian Caroline Anthony, warn of the radical new laws that have given the American government power to monitor the reading habits of its citizens without telling them. Now the FBI can also secretly record what websites people look at. And what books they buy. Or videos they hire. 'Libraries are all about freedom of knowledge and not having Big Brother watching you. September 10. "Real Raping" = The reality of "Operation Iraqi Freedom." The Jew-instigated war got rid of Saddam and brought in -- porn. Straight Jew-Frankfurt School strategy: subvert religious-moral foundation of a people and before long they are as malleable as Play-Doh. Why is a large part of "Christian" America supporting this Jewish war? Because the Jewish demolition of real Christianity, [Father Coughlin](#) style, was essentially completed in the '60s. Today, all Christianity that isn't "Judeo-Christianity" (i.e., ALL Christianity) is depicted by the Jewish media as cultish criminality "cloaking itself" in Christianity. The only Christianity permissible in Jew-controlled America is that which stays out of the way of the Jewish anti-White internationalist agenda. Christianity that actually promotes this Jewish, anti-Christian, anti-White agenda gets maximum air time and press coverage. The consequence: for all intents and purposes "Judeo-Christianity" *is* Christianity in the U.S. The same process is now underway in Iraq.

"Barely a seat is empty as hundreds of men, most puffing cigarettes, sit in total silence and darkness to enjoy scenes of nudity and sex for 1,000 Iraqi dinars (\$0.50) a time. 'Under Saddam, forget it. You would go to jail for showing or watching this,' said movie-watcher Mohammed Jassim at the Atlas Cinema where one of the films on offer was disturbingly named '**Real Raping.**' The fall of Saddam Hussein liberalised Iraq's cinema industry overnight. Pornographic movies which had circulated only secretly before suddenly came into the open. The smuggling of films from abroad became overt importing. And demand has proved high despite Iraq's strict Muslim morals."

The two year anniversary of an American tragedy which was at best caused by America's support of jews and Israel but at worst caused by -- dare we say it? -- *Jews themselves!* The evidence fuelling the suspicion is substantial. In effort to discredit anyone and everyone who would proffer such an argument, the jew-saturated TV show "60 Minutes II" did a high profile hit piece intended to broadly debunk theories merely suggesting jewish involvement or complicity. September 15. Jews sow "ethnic discord" in former Soviet republic Mozyr, Balarus (230 miles south of the capital Minsk). "The World Association of Belarusian Jews"(!) is whining that a new gas pipeline being constructed "will desecrate the graves of 40 Jews who committed mass suicide during the Holocaust rather than surrender to Nazi forces." Jew Yakov Gutman, head of the World Association of Belarusian Jews, "likened it to the suicide of Jews at Masada, who killed themselves at the mountaintop fortress in the Judean desert rather than give in to Roman forces in A.D. 73." Of course, as with 99% of what jews claim about "The Holocaust," it's a lie. "'We refuse to acknowledge that this deed ever took place,' said Sergei Kostyan, national parliament deputy from Mozyr... Most city officials refuse to

acknowledge the Mozyr mass suicide even happened, saying no documents confirm it." But even if the tall tale of "heroic Belarusian jews" were true, Kostyan's response to jewish whining is perfect: "*Must we leave the city without gas because of Jews?*" he asked.

September 16. According to U.S. Defense Secretary Donald H. Rumsfeld, there is no reason to believe that Iraq's Saddam Hussein had a hand in the Sept. 11, 2001, terrorist attacks on the United States. But Rumsfeld and his neo-zionist buddies haven't exactly attempted to dispel this carefully contrived myth, just as their media collaborators have made no effort to clarify this issue before or during the US attack on Iraq. In fact, a recent poll indicated nearly **70 percent of respondents believed the Iraqi leader probably was personally involved in the 9/11 attacks**. Why? Because they were led to believe that by the lying jews who pushed America into war for the benefit of Israel -- the lying jews filling the D.C. "neoconservative" think tanks and scripting U.S. policy, the lying jews in the Defense department, the lying jews controlling the U.S. media.

September 16. Once again, the U.S. uses its veto to block a U.N. resolution against Israel. "The resolution had three stated aims: a demand for a halt to violence in the area, 'including all acts of terrorism, provocation, incitement and destruction'; a demand that Israel cease its threats to deport or assassinate Mr. Arafat; and an expression of support for the peace plan known as the road map." Reasonable? Yes. Good for jews? No. So jews have their U.S. mouthpieces veto it. THIS IS THE PRACTICAL DEFINITION OF "ZOG." When wild-eyed white "extremists" talk about jewish control of America, this is what they mean. And this is merely the latest, merely one of dozens of U.S. vetoes on behalf of Israel. In 1976, for example, the General assembly formed a commission of 21 countries to report to the Security Council on Palestinian rights. The report was presented to the Security Council by the Secretary-General and adopted with one veto -- the USA. The Secretary-General was Kurt Waldheim. Subsequently, false charges were made against him and he is still barred from entering the United States.

September 18. Professor Kevin MacDonald makes the case: "Neo-conservatism" is another anti-White, anti-western, anti-American, anti-Christian ideological movement concocted by jews to serve their selfish racial interests, just like the Boasian school of anthropology, Freudian psychoanalysis, the Frankfurt School of Social Research, Marxism and several other movements of the radical left, as well as the movement to change the ethnic balance of the United States by allowing mass, non-traditional immigration.

Neoconservatism's key founders trace their intellectual ancestry to the "New York Intellectuals," a group that originated as followers of Trotskyite theoretician Max Schachtman in the 1930s and centered around influential journals like Partisan Review and

Commentary (which is in fact published by the American Jewish Committee). In the case of neoconservatives, their early identity as radical leftist disciples shifted as there began to be evidence of anti-Semitism in the Soviet Union. Key figures in leading them out of the political left were philosopher Sydney Hook and Elliot Cohen, editor of Commentary. Such men as **Hook, Irving Kristol, Norman Podhoretz, Nathan Glazer and Seymour Martin Lipset**, were deeply concerned about anti-Semitism and other Jewish issues. Many of them worked closely with Jewish activist organizations. After the 1950s, they became increasingly disenchanted with leftism. Their overriding concern was the welfare of Israel... Current key leaders include an astonishing number of individuals well placed to influence the Bush Administration: (**Paul Wolfowitz, Richard Perle, Douglas Feith, I. Lewis Libby, Elliott Abrams, John Bolton, David Wurmser, Abram Shulsky**), interlocking media and thinktankdom (**Bill Kristol, Michael Ledeen, Stephen Bryen, John Podhoretz, Daniel Pipes**), and the academic world (**Richard Pipes, Donald Kagan**).

September 20 - October 4. The "Immigrant Workers Freedom Ride." Just as jews organized and funded the so-called "freedom rides" of blacks in the early 1960s as a media stunt to push their anti-White, anti-democratic, anti-states rights subversion of segregation laws in the South, now they are doing the same thing for non-White, mostly Mexican illegal aliens who've criminally broken into the collective home which is our country.

September 21. **Another Real-World Example of What is Meant by "ZOG"**: As a result of jew led and funded "civil rights" and the 1965 change in U.S. immigration policy, non-White criminality is so rampant, so grossly disproportionate per capita to White crime, that federal and state governments make concerted efforts to hide this reality from the general public that suffers its effects. This jewish, governmental anti-White bias, and the reality of non-White criminality it conceals to the life-threatening detriment of all Americans, has been well documented. A few examples here:

- "[FBI Misclassifies Hispanic Offenders as White](#)". Enlarged chart [here](#).
- "[Crime](#)" by Jared Taylor

- ["The Color of Crime" - PDF format](#)
- [Black professor Walter Williams verifies "Color of Crime" in "What About Hate Crimes By Blacks?"](#)

What is poignantly telling about these ZOG efforts to inflate numbers quantifying White crime in the U. S. is that Whites per capita are still shown to be far less likely than non-Whites to commit crime, especially violent crime. Even when lied about and intentionally made to look worse than they are, Whites still emerge from the anti-White data as society's good guys! Isn't it amazing how closely facts jibe with personal experience and intuition when they are bleached clean of jewish distortion and spin? To bring these facts down to earth, here are several specific examples WITH PHOTOS of non-White criminals -- convicted sex offenders -- officially listed as "White" and thus Whites get "credit" for their crimes according to government and media distributed "official crime statistics."

September 22. Jews subverted White rule in South Africa and so, predictably, South Africa reverts to the booga-booga superstition and savage, cannibalistic violence that comes naturally to the native negro population. "3-year-old Thabang Malakoane disappeared... When his body was found, in a garbage bag under a thin layer of dirt, the left hand and genitals had been severed. The brain, heart and other vital organs were gone... Thabang's is the third suspected case in three weeks. Six men were arrested in Free State Province on Sept. 9 for trying to sell a human head, a pair of hands and feet, a heart, genitals and intestines. - routinely violates international law.
- possesses nuclear weapons, refuses to sign the Nuclear Non-Proliferation Treaty and refuses to allow international inspection of its nuclear facilities.

September 24. President Bush's speech at the UN proves once again that jewish control of the U.S. government leads inextricably to its isolation from the rest of the world. The U.S. bombed Iraq because jews control the U.S. government and bombing Iraq was "good for jews." The supposed justification for bombing Iraq (possession of WMD - weapons of mass destruction) has proven to be [false](#), if not outright *falsified*, i.e. deliberately forged and fabricated in the first place (evidence suggests it was, but the benefit of the doubt is given). Now the jewish media and jew-approved high-profile pundits like the Limbaughs, Hannity, Coulter, and O'Reilley pretend Iraq's violation of UN resolutions, along with human rights violations, was the "real" reason invasion and occupation of Iraq was necessary. That Israel stands in violation of far more UN resolutions and accused of far more -- and ongoing -- human rights violations against Palestinians, as well as White female victims of their horrific sex trade, is overlooked.

September 24. Jewish hate for non-jews goes unchecked as jews continue to terrorize and murder unarmed, innocent non-jewish civilians in Israel. On this day:

--a 3 year old girl dies from shock following Israeli shelling attack.

--Israeli jews' violent escalations leave five Palestinian men dead.

--Israeli jew soldiers raid UN hospital in Qalqilya.

"Three year old Dina Iesa was pronounced dead upon arrival at the Hospital this morning. Dr Ibrahim al Mosadar said the little girl had died after entering a state of shock when Israeli forces began shelling houses around hers. Because of the heavy shelling an ambulance was unable to reach the area for some time and despite attempts to give the girl first aid at home she was dead upon reaching the Hospital. Dr Ibrahim al Mosadar said that the little girl had no previous medical problems, she had been in good health and her death was solely a result of the Israeli attack... Muhammad Bashir Aqel, 25 years old was killed by shrapnel entering his chest and stomach. The second victim Nur Adin Abu Aramana, 23, was shot in the chest but almost certainly was killed when live ammunition shattered his skull. At least eight others were seriously injured in the attack, five remain in hospital. This number includes three children amongst them, Saleh Nufel, 13 years old, shot by live ammunition in his arm and Jihad Farage Allah 17, who received several rounds of live ammunition in his shoulder and abdomen... Meanwhile in the West Bank city of Hebron, Israelitroops killed two Palestinian men, Diab Shwiki, age 30 and Abed El-Rahim Kik Talhami, 27, when tanks and jeeps invaded the area. "The international commission created to help victims of Nazis collect on insurance policies was sued by two Holocaust survivors who say it has worked to deny decades-old claims. The lawsuit alleges unfair business practices by the International Commission on Holocaust Era Insurance Claims, which was formed five years ago to resolve claims by survivors and their heirs. European insurers have been sued for refusing to honor many pre-World War II life insurance policies **because there was no documentation of the policyholders' deaths.** "Of course, the Nazis weren't issuing much paperwork when they were murdering Jews by the millions," said Harvey Rosenfield, a consumer advocate on insurance issues who helped file the suit.

September 30. If Jews did not effectively control the U.S. government, in this time of war, "terror," and ever-worsening economic conditions, the U.S. Justice Department would not be wasting American time, money and manpower hunting deathbed geriatrics for their alleged WWII participation when they were teenagers. "The Justice Department asked a federal court in Milwaukee on Tuesday to revoke the citizenship of Josias Kumpf, 78, of Racine Wisconsin. The Justice Department alleges that 60 years ago Kumpf served as an armed guard at the Sachsenhausen Concentration Camp near Berlin, and later at the Trawniki Training camp in Poland. At both camps it is charged that Jews and others were deliberately killed." Notice they do not allege Kumpf killed anyone, only that he "served as an armed guard."

October 2. Amidst the California recall (of Gov. Gray Davis) race, an "unearthed book proposal by Pumping Iron's director George Butler... quotes Arnold Schwarzenegger naming monster Adolf Hitler as a hero!... Asked about his heroes, the young Schwarzenegger, in 1975, was quoted as saying; 'I admired Hitler, for instance, because he came from being a little man with almost no formal education, up to power. I admire him for being such a good public speaker and for what he did with it.'... The actor was quoted as saying he wished he could experience being...'like Hitler in the Nuremberg stadium and have all those people scream at you and just being total agreement whatever you say.'" In America, "free" men are not allowed to have independent ideas about anything that crosses jewish interests. "Free" men are not allowed to admire historical figures who put the interests of their own people and culture ahead of jewish ethnic interests -- especially Hitler. "Asked by ABC News to comment on the old remarks, Schwarzenegger said: 'I cannot remember any of these. All I can tell you is that I despise everything Hitler stood for. I despise everything the Nazis stood for ... everything the Third Reich stood for.'" Whether Schwartzenegger -- whose father was in the Nazi SS -- believes what he says is irrelevant. The point is that, for all intents and purposes, he had no choice but to toe the jewish line. Had he stood behind his comments, he'd be destroyed by the jewish media and his run for California governor, not to mention his movie career, would be ruined. With all of his fame, wealth and connections (he's married to a Kennedy), megastar Arnold Schwartzenegger, like everyone else in "free" America, must genuflect before jews and their skewed, ethnically biased worldview, if he does not wish to be smeared, demonized and professionally blacklisted. Schwartzenegger's case is particularly poignant because, as an Austrian whose father was a Nazi, he is literally repudiating his own history and heritage to appease jews -- the world's true bigoted, hateful racial supremacists. American "freedom of speech" ends where jewish interests begin.

October 3. Jews hate non-jews and especially Christians. While jews in America continue collectively to bleach America of its Christian character and heritage, jews in the supposed "only democracy in the Mideast" -- the jewish supremacist ethno-nation of Israel -- despise religious freedom and sought to outlaw it. Israeli lawmaker Nissim Zvili sponsored "a proposed measure before the Israeli parliament (**widely supported among various political factions in Israel**) that would **outlaw** any effort to teach or propagate Christian doctrine in Israel. **Under Zvili's highly popular proposal, any Christian missionary found guilty of violating the law would be sent to prison for one year.**" Jew Zvili agreed to drop his sponsorship ONLY AFTER "So-called 'leaders' of the Christian evangelical movement agreed to give up spreading the Gospel of Christ in the Holy Land in order to avoid being jailed."

October 5. Wealthy, influential jews successfully push for the creation of Leftist activist "charter" schools, like The Los Angeles Leadership Academy, a taxpayer-funded middle school dedicated to "social justice" - i.e., jewish, leftist, anti-White, anti-Christian, anti-traditional America culture destruction. The article "But, Teacher, My Homework Got Run Over at the Taco Bell Protest" from today's LA Times, reveals "social justice" schools to be yet another example of effective jewish activism. Roger Lowenstein -- a typical Jewish leftist activist, graduate of Harvard Law School who spent two decades trying "to free a cop-killer from prison" and successful script writer for TV -- put up \$200,000 of his own money and the LA schools put up \$950,000 for a school dedicated to produce leftist activists. "Schools dedicated to social justice are popping up in Florida, the Bronx, Northern California, Chicago and elsewhere." The other major funder is jew Steve Tisch, a producer of "Forrest Gump," who pledged \$250,000 over five years. Another story here is the pressure immigration is putting on public resources -- the real story of California's budget crisis: "To accommodate anticipated enrollment growth, the LAUSD plans to build 79 schools and expand 80 others during the next six years. In addition, the district expects to add at least 100, possibly 200, more charter schools to the 51 already operating." But "Charter schools [like the leftist one] can be started by anyone — parents, teachers, outsiders with a vision — who can win approval from the local school board." Bet they won't approve a pro-European one.

October 6. Jews around the world gather to celebrate YOM KIPPUR, or the Day of Atonement, the most holy day on the jewish calendar. At synagogues everywhere jews will recite their Kol Nidre prayer. Taken from the first two Hebrew words of the prayer, "Kol Nidre" means "all vows." Goyim (non-jews, lit. "cattle") are told that Yom Kippur is when jews perform a penitential rite to be forgiven for wrongs they committed during the [past year](#). Like everything about jews and judaism presented by the mass

media, this is a **lie**, an intentional inversion of the truth to disguise the predatory nature of jewish custom and their hatred for their non-jewish host cultures. Fact: Yom Kippur is when Jews ask for and receive absolution for all the sins and wrongs they are about to commit - **IN THE COMING YEAR**. Essentially, jews cut a lawyer's deal with their "g-d" that absolves them in advance of all wrongdoing. Here is the actual text of this outrageous "prayer": "**All vows, prohibitions, oaths, consecrations or equivalent terms that we may vow, swear, consecrate, or prohibit upon ourselves from this Yom Kippur until the next Yom Kippur, may it come upon us for good -- regarding them all, we repudiate them henceforth. They all will be abandoned, cancelled, null and void; they will be without power and without standing. Our vows shall not be valid vows; our prohibitions shall not be valid prohibitions; and our oaths shall not be valid oaths.**" It is a one-year, renewable license to lie, cheat and steal with impunity, all based on a decree from the jews' primary holy book, which says: "**And he who desires that none of his vows made during the year shall be valid, let him stand at the beginning of the year and declare, 'Every vow which I make in the future shall be null'**" (Babylonian Talmud, Tractate Nedarim 23a and 23b). Among those reciting the Kol Nidre will be many jewish politicians, lawyers, businessmen, journalists and public officials. It should be noted that any oaths they take to uphold and defend the Constitution or otherwise tell the truth are, as of tonight, "abandoned, cancelled, null and void" and rendered "without power and without standing," just as they were last year, and every year before that one.

October 8. Jews killed Christ. After all the lying and denying and spinning and shouting "anti-semite" at anyone and everyone who stated the fact -- including, most recently, Mel Gibson (for his daring to depict the murder in his independently financed film "The Passion" -- jews are finally backed enough into a factual corner that they must admit it. Of course, they do so only for the sake of damage control and in such a way as to start a whole other series of lies, denials, and spins. How do you know America is a jewish occupied tyranny? Jews demand and receive reparations for "persecutions" they cannot prove, and they have successfully outlawed stating this fact in most western nations. Jews revise American public school curricula to teach **their** fictions (e.g., *The Diary of Anne Frank*, jew Eli Wiesel's *Night*, jew Gould's racial egalitarianism, Griffen's *Black Like Me*) as **our** facts. Jews slander, libel and generally character assassinate as an "anti-semite" anyone they want to merely by levying the charge -- and proliferating the charge in "American" mass media -- while any factual/historical claim that is "not good for jews" (like their murder of Christ) is first dismissed, then portrayed as a hateful lie on its face, then subjected to irrational degrees of skepticism. If the jew-critical claim persists and its truth is irrefutable, jews eventually admit it in some deceitful, Talmudically complex way - just as they are now doing with the factual charge of Christian Deicide.

October 9. The "Ohio Civil Rights Commission" holds a press conference seeking a "cease and desist" order against the Vanguard News Network internet web site. The alleged "offense"? Posting an ad by job **seeker** (not an employer), Frank Gordon of Cleveland, in which Mr. Gordon mentions that he is White. Meanwhile, so-called "diversity job fairs" explicitly targeting non-Whites are held all over the country, including San Francisco, already one of the most "liberal," "diverse," "anti-Christian," and "anti-White" cities in the western world. (Merely one of SF's many Diversity Job Fairs, co-sponsored by the hate group NAACP, will be held at the San Francisco Airport Marriott, Oct. 23, 9AM-Noon, 1PM-4PM.) White job fairs? October 11. The crackdown on the last bastion of free speech -- the internet -- takes a big step forward as four Jewish websites are deemed "terrorist." *"Four Internet Web sites operated by two extremist Jewish groups have been included by the State Department on its list of "foreign terrorist organizations" — the first time the list has been extended to include Internet sites... The four Web sites are: www.newkach.org, www.Kahane.org, www.Kahane.net and www.Kahanetzadok.com."* Look for this treatment to descend on White Nationalist websites in America before long. Note how the word "racist" pops up in the Washington Times article. This is very significant. It is reasonable to assume they are starting with a racist-zionist violent Jew org to anesthetize Americans -- particularly race-conscious Whites -- to the significance of the action. It is a clue to Jews not to object. Do not be surprised if the ACLU does not defend against this.

October 24. For fear of the Jews, the U.S. drops even the pretense of resistance to Israel's anti-Palestinian Wall of Hate. This week the UN General Assembly overwhelmingly approved a non-binding, EU-backed resolution calling on Israel to halt construction. Only four countries voted against - the US, Israel, Micronesia and the Marshall Islands." This is what is meant by ZOG: so-called "American" politicians snubbing the rest of the world and making dangerously bad foreign policy decisions solely to please Jews. October 28. Jewish senator Frank Lautenberg (D - NJ) is upset that America is not importing as many non-white "refugees" (like the African Somalis plaguing Lewiston, Maine) on an annual basis as policy permits. He authored an amendment to "correct" that "problem," i.e., to force the U.S. to fill its "refugee" roster to the brim by any means necessary. "With thirteen million refugees world-wide, it is unconscionable that the U.S. cannot offer admission to the full number of individuals legally authorized," said Senator Lautenberg. 'Political conflict and persecution have driven these people from their homes, and the U.S. is not doing all it is required to do to help. The doors of this country flew open when millions fled Eastern Europe for the same reasons fifty years ago. We must embrace our beliefs of tolerance and diversity and assist as many refugees we can.'" How many "diverse" refugees does jew Lautenberg's homeland Israel take in each year? Zero. In their own nation jews do not embrace refugees, they create them. Jews like Lautenberg wax poetic about "tolerance and diversity" for their host nations. The single goal of formalized internet "governance" is censorship of truth - truth about jews and their genocidal agenda. An anonymous VNN reader offered a hypothesis about the negative trends in internet user friendliness and the push to regulate it worldwide: "What is the jewish problem with the Internet? Simple, it's free. So, how can this problem be exploited? Simple, create heaps of spam, pop-ups, and porn, and flood the Internet with it until people are confounded. And then what do we have here? One public school principal issued a memo encouraging teachers to bring to school 'religious symbols' that represent the Islamic and Jewish religions. No mention of Christianity was made in this memo. At times, teachers would have students make the Jewish Menorahs that would often adorn the halls of the schools as part of the 'authorized' displays. This is unacceptable at a place that presents itself as inclusive of all people.'* The question arises: If jews don't like the traditions of the Christian nation that has so tolerated them, then why don't they go to Israel, their explicitly, exclusively jewish nation? If a Christmas tree makes jewess Roisman feel "excluded," maybe she should get some psychiatric help to deal with her feelings of inadequacy and intolerance. December 10. "American" jew opinion-makers like the New York Times columnist William Safire attack Russia's Vladimir Putin for having the audacity to crack down on the jewish oligarchs raping Russia. Consider jew Safire's "The Russian Reversion," in which he writes: *"What is there to be done? The Group of Eight industrial democracies should have no place for authoritarian Russia. France and Germany are now misled by elected leaders who are anti-American and hypocritical in trying to take over Europe, but they are democracies whose people are capable of changing administrations. Russia is demonstrating it is not."* What jew Safire means is this: *"The Group of Eight industrial countries should have no place for a nation that defies Jewish Power. France and Germany are now misled by elected*

leaders who actually represent the will of their respective populations and are therefore anti-American and anti-Israeli. But because France and Germany are 'democracies,' we can with effort eventually bring them under the Jewish boot using the guise of 'democratic change.' We are unlikely to be able to do this with Russia. All nations will kneel before God's Chosen Parasites or they will be destroyed!"

December 10-11. Comedy Central's "Tough Crowd with Colin Quinn" pumps vicious, explicitly jewish anti-white propaganda two nights in a row to its predominately white, college-age male audience.

Dec. 10 episode: The first segment called "Trouble's Hebrewing" is about tire slashings and "anti-semitic" graffiti in some jewish Bronx neighborhood. Judy Gold and Susie Essman whine about how as long as jews have existed there's been some paranoid group to hate them. They rattle off the usual reason: Jealousy of jewish success and community. When Quinn pushes that jews should at least stop pretending they do not dominate the entertainment industry, predictably jewess Gold does not take a liberal line about inequal representation reflecting racism, but rather says "there are some industries that some groups of people naturally excel in!" The jewess Gold, a classic jewish racist, says other groups should simply do what jews have done to get ahead, neglecting to mention that her group denies other groups the right to do just that -- except when it is using a "minority" as a tool to destroy an even more powerful competitor, such as Aryans. Gold and her jews denounce any White self-consciousness as "hate." Jewesses Essman sarcastically tells the audience to "keep blaming jews while the real enemy -- WASPS -- set races, classes, sexes against each other while they laugh and count their money." Then jewess Gold is back rattling off a list of supposed jewish blessings delivered unto America and Europe in the form of hebrew geniuses: Freud, Einstein, Salk, Spielberg...on and on and on...

Dec. 11 episode: Jew Rich Voss explicitly says, "Jews don't run the country, WASPS do." Then he goes into a roll-call of the wonders jews have shared with the world. He said that jew doctors have cured more diseases than anyone else, jews have won more nobel prizes than anyone else...on and on. He also said that jews "helped found" the NAACP and "marched right alongside the negroes" and that "God likes them best." This was in response to the closing riffs in which each of the comics was supposed to say something funny about their ethnic group. The black, Italian and Vietnamese comics all made some teasingly disparaging comments about their group. Only jew Voss used it as an opportunity to soapbox about jew greatness and their unfair persecution for the crimes of WASPS. Two days in a row two different jews have claimed that WASPs control the country. If you claim that jews control the media, you're an anti-Semite. There seems to be a "special" standard for jews and their kooky conspiracy theories.

December 13. BIRMINGHAM, Ala. - Jews ruin the honoring of a U.S. Navy hero Rear Adm. John Crommelin by whining about and pathologizing his reality-based political perspective, which they of course smear as "anti-Semitic." *"When Crommelin was inducted posthumously into the Alabama Military Hall of Honor recently, memories of his military career were followed by denunciations of the virulent anti-Semitism that marked his postwar politics... But detractors say Crommelin's induction into a state-supported hall was an insult to those who still remember his hate talk of the 1950s and '60s, which included claims that a "communist-Jewish conspiracy" was behind racial integration and that*

Gov. George C. Wallace - who at the time vowed "segregation forever" - was too soft on blacks." No matter what you do for your country, no matter how many medals you win, battles you fight, or times you risk your life, you never, ever earn the right to your own opinion if that opinion crosses jewish interests. Whether you are Henry Ford, Charles Lindbergh, or a dirt poor average Joe, if you are racially conscious and overtly resist the jews' racist agenda you will be smeared, demonized and portrayed by the mythically "free" media as someone out of your mind and not to be taken seriously.

December 19. Jews are racial supremacist haters of all non-Jews, as Rabbi Saadya Grama makes clear in his rabidly anti-gentile book, published in Hebrew under the title "Romemut Yisrael Ufarashat Hagalut." Jew Grama writes: "The difference between the people of Israel and the nations of the world is an essential one. The Jew by his source and in his very essence is entirely good. The goy, by his source and in his very essence is completely evil. This is not simply a matter of religious distinction, but rather of two completely different species."

December 23. Two of America's biggest non-Jewish media barons are central to the jewish "neocons." Here we find in addition to the well-known links to Richard Perle, that George Will and Bill Buckley are on jew Conrad Black's payroll.

December 24. Though the majority of Americans want all immigration halted and illegal invaders deported, President George W. Bush caters to the wishes of the pro-open borders jewish minority: *"President Bush plans to kick off his reelection year by proposing a program that would make it easier for immigrants to work legally in the United States, in what would constitute the most significant changes to immigration law in 18 years, Republican officials said yesterday. Lobbyists working with the White House said Bush is developing a plan that would allow immigrants to cross the border legally if jobs are waiting for them."*

December. Jews murdered Christ and they continue to murder his memory. Part of this is their killing of Christmas with death by a thousand cuts. Here are a few of those cuts:

- ["Town Says 'No' to Nativity Scene, 'Yes' to Menorah,"](#) Fox News (Thurs, December 18, 2003). *"PALM BEACH, Fla. — The town of Palm Beach, Fla., told a federal judge Thursday that he has no authority to demand that they come up with a good reason why Jesus Christ in a manger should not be displayed next to a Jewish menorah on public property."*
- ["Christian References a No-No at Public Schools,"](#) Fox News (Weds, December 24, 2003). *"A New York City school allowed a Hanukkah menorah and the star and crescent of Islam to be displayed on school property as historic symbols, but banned a nativity scene because it was deemed religious."*
- ["Mr. Christmas' Pulls Plug on Display,"](#) Fox News (Tues, December 23, 2003). *"Mervin Whipple, known as 'Mr. Christmas' to locals, has decided to pull the plug on his brilliant, gigantic holiday light display that once lured viewers from across the nation. . . . 'It's a changed world,' Whipple said while fighting back tears. 'The spirit of Christmas is gone.'"*
- ["Bush, Jewish leaders meet,"](#) CNN (Tues, December 23, 2003). *"At a menorah lighting ceremony at the White House, President Bush prayed for Americans serving in the U.S. armed forces and expressed his hope that all people who live under oppression will one day be free."* What an irony after the above links and 99.9% of the U.S. soldiers are not Jewish!
- Christmas-Hating Jew Caught After Three Week Rampage. *"He said running over the Christmas ornaments is fun," said Detective Sgt. Thomas Groneman. "Some people spent days and weeks decorating their lawns, and in seconds he destroyed their hard work."* Four reports on this case:

December 31. Jew leaders cheated on IQ test. "Members of the Israeli parliament finished in the middle of the pack in a televised IQ test against groups like models and lawyers - and that was after they cheated." This is not unexpected. "The image of Israel's parliament has suffered in recent years because of scandals, investigations and questionable election practices... The present group, elected this year, has scaled new heights, with several members facing police inquiries for voting twice on a budget bill, another for bribery during a primary campaign, and prime minister and his son - also a member of parliament - under investigation for election irregularities." January 1. Israeli Jew Asher Karni, 50, is arrested for shipping 200 U.S.-made nuclear weapons detonators to Pakistan. "Prosecutors said there was 'undisputed proof that Karni, using an American broker, acquired nuclear triggering devices from their manufacturer in Massachusetts, after falsely representing that they were destined for a hospital in South Africa. . . . Instead, after the goods arrived in South Africa, Karni re-exported them to Pakistan.'"

January 1. Israel continues its assassination policy. In a continuation of "the Israeli policy of extra-judicial killings, Israeli helicopter gunships fired two missiles at a car carrying Hamas activist Jamal al-Jarah in Gaza city. Ten Palestinian bystanders were injured." "In a 1998 report, the United Nations Special Rapporteur on extrajudicial, summary or arbitrary executions noted, 'extrajudicial executions can never be justified under any circumstances, not even in times of war.' So far, 345 Palestinians have been killed in 'assassination operations' conducted by the Israel occupation army, including 122 bystanders, 39 of them children."

January 2. At a time when the U.S. is pressuring countries to forgive Iraqi debt, Jews are pressuring the U.S. to force Iraq to pay up. "Jewish groups here and abroad are pressing the Bush administration to make restitution for Jewish refugees a part of the process of building a new government for Iraq. This week the Israeli government also moved to ratchet up the restitution effort."

January 2. LOS ANGELES (Reuters) - Polls are "flawed" if their results aren't good for Jews. "Two Jewish leaders accuse the European Commission of encouraging anti-Semitism by releasing a "flawed" poll accusing Israel of being the greatest threat to world peace and then by failing to release a report on the involvement of Muslim minorities in anti-Semitic incidents." All public opinion must be shaped, filtered and approved by Jews before it is "legitimate," say Jews.

January 4. UK's *Telegraph* smears Australian woman for White bequest. "82-year-old Marjorie Williams left money in her will to a Sydney hospital for the exclusive treatment of "white babies." Her will also instructed that her house be sold only to a "young white Australian couple." The court allowed the former and rejected the latter. The real lesson is in how the paper reported the story. "A court in Australia has upheld the right of an **eccentric** old lady...; "Miss Williams and her **idiosyncratic** views..." On and on. A black leaving an equivalent bequest would be "giving back to his community," "helping his race," in short - exemplary. The White is treated as weird, with the media leading the charge. Whence the source of this curious idea that Whites aren't allowed racial identity? It comes straight from Jewish ideologues who claim the white race does not exist, except to be mocked on television and discriminated against by government. Same thing in United States, Australia, and Great Britain.

January 4. A member of the Israeli parliament has proposed "massive ethnic cleansing" of non-Jews in Palestine-Israel as a "final solution" of the Palestinian-Israeli conflict. "Uzi Cohen, a member of Ariel Sharon's right-wing Likud party and a deputy in the Knesset, told Israeli public radio on Sunday there was widespread support in Israel for "the idea of ethnic cleansing."

January 7. Jewish doctor Dr. Gilbert Lederman tormented and exploited Beatle George Harrison as he lay dying of cancer. "George Harrison was forced to autograph a guitar on his deathbed for his Staten Island cancer doctor - and even had to endure an impromptu concert by the physician's 12-year-old son... When the ailing Beatle told Dr. Gilbert Lederman he didn't believe he could even remember how to spell his world-famous name, the doctor allegedly grabbed his hand and guided the musician, letter by letter, through the signature. 'Dr. Lederman preyed upon Mr. Harrison while he was in a greatly deteriorated mental and physical condition' just two weeks before his death."

2004

January 8. Jews are enemies of free speech. Jews in Canada want to imprison Nusrat Hussein for printing Edgar Steele's essay "It Wasn't Arabs" in "The Miracle," a small newspaper he publishes for his local Muslim community. "The Canadian Jewish Congress (CJC) wants to see the paper's editor face criminal charges for publishing an article it says is anti-Semitic...The article in question was written by Edgar Steele, a U.S. resident known for his anti-Semitic views. The article accuses Jews of, among other things, faking the Holocaust and starting the Second World War."

January 12. Presidential race overview: John Kerry "discovers" he is from a long line of rabbis; Wesley Clark "discovers" his father was a Russian Jew surnamed Kanne; Howard Dean is married to an Orthodox Jew, his children raised Jews; Dennis Kucinich, dating a Jewish woman, celebrates all the Jewish holidays; Lieberman is Jewish; Bush is surrounded by Jewish advisors. Is this America or Israel?

2004

January 12. Jew Eric R. Trager, a student at Harvard University, fabricates anti-Semitism under a false identity. "Members of the Harvard Initiative for Peace and Justice (HIPJ) discovered last week that mysterious anti-Semitic posts on the group's web log were written by [Jew] Eric R. Trager '05, who posted them under an assumed name."

January 13. Israel's ambassador to Sweden, Zvi Mazel, went berserk and jeopardized the lives of over 400 attendees at Stockholm's Museum of National Antiquities when he destroyed an artwork featuring a picture of a Palestinian suicide bomber. "The incident . . . occurred at the opening on Friday of the 'Making Differences' exhibit, part of an upcoming international conference on genocide hosted by the Swedish government and in which Israel is scheduled to participate. . . . 'For me it was intolerable and an insult to the families of the victims . . .' the ambassador told Swedish news agency TT. . . . '[Mazel] pulled out the plugs and threw one of the spotlights into the fountain which caused the entire installation to short-circuit and made it totally life-threatening." Jews are champions of subversive art - as long as it is weilded against a host nation/people and not Israel/Jews, in which case "tolerance" and "diversity" go out the window and destroying what is "bad for Jews" by any means necessary is the rule of the day. Mazel's behavior is outrageous but not unusual. It crystallizes the essence of Jewish political behavior. Mazel did to the artwork what Jews have done to America's first amendment freedom of association, to Fred Leuchter, David Irving, Cynthia McKinney, and James Moran, and what they unsuccessfully tried to do to Mel Gibson's movie *The Passion*, to name only few examples.

January 17. ADL Jews use Sesame Street to brainwash preschoolers. "With the help of Elmo from "Sesame Street," early childhood educators and parents from the San Fernando Valley and elsewhere will receive free training to teach preschoolers how to respect Southern California's rich cultural diversity. The red, furry character from the PBS series was on hand Tuesday at Los Angelitos Early Education Center downtown to launch the Anti-Defamation League's new anti-bias program, the first of its kind to target children ages 3 to 5."
